Appropriate for one-semester courses in Administrative Law at both college and university levels. Legal concepts and Canadian business applications are introduced in a concise, one-semester format. The text is structured so that five chapters on contracts form the nucleus of the course, and the balance provides stand-alone sections that the instructor may choose to cover in any order. We've made the design more reader-friendly, using a visually appealing four-colour format and enlivening the solid text with case snippets and extracts. The result is a book that maintains the strong legal content of previous editions while introducing more real-life examples of business law in practice.

Interesting, clear, and applied. BUSINESS LAW TODAY, THE ESSENTIALS: TEXT AND SUMMARIZED CASES, 12E is your concise guide to the law and what it means in the business world -- from contracts and secured transactions to warranties and government regulations.
