A Highly Unlikely Scenario. by Rachel Cantor. Hear that knock on the door or phone ringing—it's adventure calling. It might be Gandalf or Morpheus from the Matrix or, in this case, Isaac the Blind, an old Jewish mystic who's dialing up our hero from centuries past, calling on him to, you know, well, abandon the dullness of daily life and rescue the world from some kind of obliteration.

A Highly Unlikely Scenario By Rachel Cantor - The Rumpus.net

Rachel Cantor's A Highly Unlikely Scenario calls to mind the kind of madcap comedies of 80s cinema (think Spaceballs) or the screwball-with-a-message novels of Christopher Moore. Comparisons have also been made to the space-comedy classic The Hitchhiker's Guide to the Galaxy. These are all apt comparisons, but while they adequately capture the tone of this deceptively breezy novel, they miss the larger mark.
