How to File Alphabetically (with Pictures) - wikiHow

There are three versions of alphabetical filing rules: Letter by letter: In this version, spaces between the words are disregarded. Word by word: Here, each word is filed on the basis of the first letter. Unit by unit: Here, each word, abbreviation, and initial is considered as a separate unit.

Rules of Alphabetizing in Business - Alphabetize any List!

Alphabetical filing is a method in which files and folders are arranged in order of alphabets of the names of person or institution concerned with such file. It may be done using either the first names or surnames, but whichever is chosen must be consistent throughout the particular filing system. In cases where the names of more than one person starts with same letter then second letter of name is taken into consideration, then third and so on.
