Anatomy Of Criticism Four Essays

In four brilliant essays on historical, ethical, archetypal, and rhetorical criticism, employing examples of world literature from ancient times to the present, Frye reconceived literary criticism as a total history rather than a linear progression through time.

Amazon.com: Anatomy of Criticism: Four Essays ...

Anatomy of Criticism: Four Essays (Princeton University Press, 1957) is a book by Canadian literary critic and theorist Northrop Frye that attempts to formulate an overall view of the scope, theory, principles, and techniques of literary criticism derived exclusively from literature. Frye consciously omits all specific and practical criticism, instead offering classically inspired theories of ...

Anatomy of Criticism - Wikipedia

Northrop Frye's Anatomy of Criticism is the magnum opus of one of the most important and influential literary theorists of the twentieth century. Breaking with the practice of close reading of individual texts, Frye seeks to describe a common basis for understanding the full range of literary forms by examining archetypes, genres, poetic language, and the relations among the text, the reader, and society.

Anatomy of Criticism - Monoskop

Striking out at the conception of criticism as mere opinion or ritual gesture, Northrop Frye wrote this work on the assumption that criticism is a structure of thought and knowledge in its own right. In four essays on historical, ethical, archetypal, and rhetorical criticism, Frye reconceives literary criticism as a total history rather than a linear progression through time.

Anatomy of Criticism: Four Essays book by Northrop Frye

Anatomy of Criticism: Four Essays is Northrop Frye 's masterful 1957 book that presents principles of literary criticism by drawing upon a wide survey of Western literature from Homer to Joyce. An [essay] is literally an attempt at describing something, and in this book, Frye offers four theories that attempt to define categories of literature and keywords for doing literary criticism.
