This bestseller has powered the careers of countless professionals. The new edition builds on the book's reputation for comprehensiveness, accuracy, and currency, incorporating all the recent changes to the accounting literature. Updated with the latest developments and standards in the field. The book includes a CD-ROM with an accounting cycle tutorial, a financial statement analysis primer, an annual report database, spreadsheet tools, career resources, and more. It will help readers develop the knowledge- and skills-base they need to succeed as professional accountants.

The text's efficient format does not overwhelm students, and its accessible style provides an alternative to more encyclopedic, reference-book approaches. The book offers a blend of the core concepts of accounting principles with procedural applications. This approach is supplemented with the most expansive set of end-of-chapter material on the market, a thorough integration of today's hot topics, and a robust selection of student and instructor print and online resources. other intermediate texts are measured. Throughout the thirty years, and ten best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success. This Updated Edition features and incorporates the 2005 FASB key accounting standards that have been updated since the original publication of "Intermediate Accounting, 11th Edition." The Updated Eleventh Edition maintains the qualities for which the text is globally recognized, and continues to be your students' gateway to the profession! Included in the package is the "Problem-Solving Survival Guide."

Synopsis: INTERMEDIATE ACCOUNTING by Kieso, Weygandt, and Warfield is, quite simply, the standard by which all other intermediate accounting texts are measured. Through thirty years and twelve best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success.

US public companies will have to follow International Financial Reporting Standards as of January 1, 2011. Weygandt's Financial Accounting: IFRS introduces challenging accounting concepts with examples that are familiar to the student while incorporating the new global accounting standards. Following the reputation for accuracy, comprehensiveness, and currency, Weygandt guides students through financial accounting and the period of transition for IFRS readiness. The text prepares student for the requirements they will follow in the coming years.

Advances in Accounting Education: Teaching and Curriculum Innovations investigates how teaching methods or curricula/programs in accounting can be improved. Volume 16 examines intelligent online tutoring, information literacy in the accounting curriculum and the importance of the foreign corrupt practices act for accounting education.
