A timeless American classic and one of the most beloved children's books ever written, Old Yeller is a Newbery Honor Book that explores the poignant and unforgettable bond between a boy and the stray dog who becomes his loyal friend. When his father sets out on a cattle drive toward Kansas for the summer, fourteen-year-old Travis Coates is left to take care of his family and their farm. Living in Texas Hill Country during the 1860s, Travis comes to face new, unanticipated, and often perilous responsibilities in the frontier wilderness. A particular nuisance is a stray yellow dog that shows up one day and steals food from the family. But the big canine who Travis calls "Old Yeller" proves his worth by defending the family from danger. And Travis ultimately finds help and comfort in the courage and unwavering love of the dog who comes to be his very best friend. Fred Gipson's novel is an eloquently simple story that is both exciting and deeply moving. It stands alongside works like *The Adventures of Huckleberry Finn*, *Where The Red Fern Grows*, and *Shiloh* as a beloved and enduring classic of literature. Originally published in 1956 to instant acclaim, Old Yeller later inspired a hit film from Walt Disney. Just as Old Yeller inevitably makes his way into the Coates family's hearts, this book will find its own special place in readers' hearts.

What if the sleeping beauty never woke up? Once Upon a Dream marks the second book in a new YA line that reimagines classic Disney stories in surprising new ways. It should be simple--a dragon defeated, a slumbering princess in a castle, a prince poised to wake her. But when the prince falls asleep as his lips touch the fair maiden's, it is clear that this fairy tale is far from over. With a desperate fairy's last curse controlling her mind, Princess Aurora must escape from a different castle of thorns and navigate a dangerously magical landscape--created from her very own dreams. Aurora isn't alone--a charming prince is eager to join her quest, and old friends offer their help. But as Maleficent's agents follow her every move, Aurora struggles to discover who her true allies are and, moreover, who she truly is. Time is running out. Will the sleeping beauty be able to wake herself up?
