Calling Romeo - Kindle edition by Potter, Alexandra ...
Calling Romeo is a chicklit novel that focuses on strain relationships and finding a solution on how to secure your place under the sun. Although I had fun reading Juliet's story, I thought her friend Trudy's struggles being pregnant and being a single parent was more appealing and relatable.

Calling Romeo. [Alexandra Potter] -- Bored by her comfortable romantic relationship with Will, Juliet, a successful businesswoman, dreams of passion and excitement and finds herself drawn to a handsome rival from a competing advertising ...

Bored by her comfortable romantic relationship with Will, Juliet, a successful businesswoman, dreams of passion and excitement and finds herself drawn to a handsome rival from a competing advertising firm, embarking on a search for love that takes her from London, to Yorkshire, to Verona, Italy, and brings her into offbeat encounters with a variety of colorful characters. Original. 35,000 first printing.

Dreams come true in this hilarious, feel-good fairy tale about life, love, and dating literature's most eligible bachelor! After a string of disastrous dates, Emily Albright decides she's had it with modern-day love and would much rather curl up with Pride and Prejudice and spend her time with Mr. Darcy, the dashing, honorable, and passionate hero of Jane Austen's classic. So when her best friend suggests a wild week of margaritas and men in Mexico with the girls, Emily abruptly flees to England on a guided tour of Jane Austen country instead. Far from inspiring romance, the company aboard the bus consists of a gaggle of little old ladies and one single man, Spike Hargreaves, a foul-tempered journalist writing an article on why the fictional Mr. Darcy has earned the title of Man Most Women Would Love to Date. The last thing Emily expects to find on her excursion is a broodingly

handsome man striding across a field, his damp shirt clinging to his chest. But that's exactly what happens when she comes face-to-face with none other than Mr. Darcy himself. Suddenly, every woman's fantasy becomes one woman's reality. . . .

. Praise for *Me and Mr. Darcy*: "...Unexpectedly charming. . . Me and Mr. Darcy offers a *Pride and Prejudice* - appropriate surprise. . . it turns out to be one of the wittier of this summer's offerings, not to mention sharp and sad in its observations about what spinsterhood, identity and aging look like for women in 2007." — Salon

"[*Me and Mr. Darcy*] takes the reader on an extended daydream with an appropriately pleasant ending. " — The Indianapolis Star

"Alexandra Potter's clever comedy, an affectionate celebration of books and readers — and bookstores — might lead you to start browsing those travel websites yourself." — The Times-Picayune

"Pure candy for the imagination. . . Ms. Potter has worked literary magic with the creation of *Me and Mr. Darcy*." — CoffeeTimeRomance.com

"...Refreshing..." — Publishers Weekly

It all starts with a mysterious phone call from Louisa's decorative antique phone. And that wouldn't be so strange, except that the phone is unplugged, and has been for years. Frightened by the call and its message--and questioning her own sanity--Louisa listens as a somehow-familiar voice describes a lost family secret about Louisa's grandfather and his daring involvement in resisting the Nazi scourge in his native Sweden during World War II. Piecing together each clue she can find, Louisa begins to see how her grandfather's guilt and shame continues to haunt her own father, and the rest of her family, decades later, planting seeds of doubt that threaten to tear them all apart. Now desperate to know the full truth, despite the charming distractions of a boy with secrets of his own, Louisa becomes consumed with her discoveries, which she passes off to her parents as a school history project. Digging through old family albums and letters, she at last begins to see that the phone call was only the beginning, and that she is the one meant to be the messenger who can bring the truth of the past to light--before it's too late for her family.

From the "fantastically funny" (Elle), "sharp" (Salon) author of the international bestseller *Me and Mr. Darcy*, an enchanting drive down the road not taken, in the most surprising company

At age thirty-one, American Charlotte Merryweather has spent ten years in London pursuing personal and professional perfection. Yet her present-day success- heading her own PR company, owning a gorgeous apartment, planning a future with her devoted boyfriend- only heightens the shock of a visit from the past. "Lottie," Charlotte's twenty-one-year-old self, drives onto the scene at the wheel of a rusty, orange Volkswagen Beetle identical to Charlotte's first UK ride. Charlotte pursues a friendship aimed to bestow upon Lottie a decade of wisdom. Yet Charlotte's prosperous polish proves a pale substitute for Lottie's innate, youthful graces- openness, passion, and kindness. Will the student become the teacher in this witty turnabout? The clever plotting and winning characterization that made *Me and Mr. Darcy* a bestseller are on full display in these pages.

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily

Read Book Calling Romeo Alexandra Potter

hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is "a glorious and touching read, a forever keeper. The kind of book that gets handed down" (USA TODAY).

'I wish I could get a seat on the tube? I hadn't eaten that entire bag of Maltesers? I could meet a man whose hobbies include washing up and monogamy?? Heather Hamilton is always wishing for things. Not just big stuff - like world peace or for a date with Brad Pitt - but little, everyday wishes, made without thinking. With her luck, she knows they'll never come true? Until one day she buys some heather from a gypsy. Suddenly the bad hair days stop; a handsome American answers her ad for a housemate; and she starts seeing James - The Perfect Man who sends her flowers, excels in the bedroom, and isn't afraid to say 'I love you?? But are these wishes-come-true a blessing or a curse? And is there such a thing as too much foreplay?

Following a car accident that claims the life of her passenger, Marissa, June Parker stumbles upon a list that Marissa had written entitled "20 Things to Do By My 25th Birthday" and is compelled by both guilt and a sense of setting things right to complete the list for Marissa, struggling to fulfill a variety of different goals before the deadline while learning more about her own life in the process. Reprint. 20,000 first printing.

Greece in the age of Heroes. Patroclus, an awkward young prince, has been exiled to the kingdom of Phthia. Here he is nobody, just another unwanted boy living in the shadow of King Peleus and his golden son, Achilles. Achilles, 'best of all the Greeks', is everything Patroclus is not - strong, beautiful, the child of a goddess - and by all rights their paths should never cross. Yet one day, Achilles takes the shamed prince under his wing and soon their tentative companionship gives way to a steadfast friendship. As they grow into young men skilled in the arts of war and medicine, their bond blossoms into something far deeper - despite the displeasure of Achilles's mother Thetis, a cruel and deathly pale sea goddess with a hatred of mortals. Fate is never far from the heels of Achilles. When word comes that Helen of Sparta has been kidnapped, the men of Greece are called upon to lay siege to Troy in her name. Seduced by the promise of a glorious destiny, Achilles joins their cause, Torn between love and fear for his friend, Patroclus follows Achilles into war, little knowing that the years that follow will test everything they have learned, everything they hold dear. And that, before he is ready, he will be forced to surrender his friend to the hands of Fate. Profoundly moving and breathtakingly

Read Book Calling Romeo Alexandra Potter

original, this rendering of the epic Trojan War is a dazzling feat of the imagination, a devastating love story, and an almighty battle between gods and kings, peace and glory, immortal fame and the human heart.

Split. After being inexplicably targeted by an evil intent on harming her at any cost, seventeen-year-old Nikki finds herself under the watchful guardianship of three mysterious young men who call themselves halflings. Sworn to defend her, misfits Mace, Raven, and Vine battle to keep Nikki safe while hiding their deepest secret—and the wings that come with. A growing attraction between Nikki and two of her protectors presents a whole other danger. While she risks a broken heart, Mace and Raven could lose everything, including their souls. As the mysteries behind the boys' powers, as well as her role in a scientist's dark plan, unfold, Nikki is faced with choices that will affect the future of an entire race of heavenly beings, as well as the precarious equilibrium of the earthly world.

What would you do if your boyfriend proposed? - Say yes and throw your arms around him - Text everyone with your good news - Take out a subscription to Brides magazine Delilah does none of the above. Instead she packs her bags and heads to London in search of a new life, and a new man. Only she meets two. Charlie, the sexy media mogul and Sam, best friend and confidante. Everything seems perfect.
