Canadian Fundamental Nursing 5th

Written in clear and accessible language, beginning nurses learn about best practices with real-world applications from the experts. Representing a pan-Canadian experience, the lead editors enlisted two authors, each from different provinces to reflect different geographical experiences, for many chapters. Special features facilitate learning and highlight the 5 major themes that form the framework for this edition—Primary Health Care, Critical Thinking, Clinical Reasoning, Nursing Process, and Lifespan Considerations.

Important Notice: The digital edition of this book is missing some of the images found in the physical edition.
