16 Tips on Composing Music. by Bob Reynolds Get free music & updates. Writing your own music is a bitch. Unlike just playing your instrument (which is hard enough), composing music demands you put your emotions, state of mind and perspective on record and present it to the world saying, "Here world. This is me.

~~16 Tips on Composing Music - Bob Reynolds~~

Interactive Composition empowers readers with all of the practical skills and insights they need to compose and perform electronic popular music in a variety of popular styles. The book begins by introducing all of the tools involved in creating interactive compositions through the software Ableton Live and Max for Live.

~~Interactive Composition: Strategies Using Ableton Live and ...~~

The final section of Composing Interactive Music, entitled "Advanced Techniques and Concepts," addresses sound design, score objects, and interactive multimedia and new controllers. The chapter on sound design primarily addresses techniques for utilizing MIDI data from an interactive composition to control various MIDI-controllable parameters of external sound-generation and -processing devices.
