Repairman Jack, F. Paul Wilson's vigilante hero from the New York Times bestseller *The Tomb*, returns in a thriller that thrusts him back into the weird, supernatural world that he thrives in. Looking for clues to the mysterious disappearance of leading conspiracy theorist Melanie Ehler, Jack attends a convention of bizarre and avid conspiracy theorists. It's a place where aliens are real, the government is out to get you, and the world is hurtling toward an inevitable war of good versus evil incarnate. Jack finds that nobody can be trusted--and that few people are what they seem. Worse yet, Jack's been having vivid dreams that make him wonder whether he's headed for a clash with his own past--maybe *The Tomb's* evil rakoshi beasts aren't through with him quite yet. Following *The Haunted Air*, New York Times bestselling author F. Paul Wilson returns with another riveting episode in the saga of Repairman Jack, the secretive, ingenious, and heroic champion of those whose problems no one else can solve. In *Gateways*, Jack learns that his father is in a coma after a car accident in Florida. They've been on the outs, but this is his dad, so he heads south. In the hospital he meets Anya, one of his father's neighbors. She's a weird old duck who seems to know an awful lot about his father, and even a lot about Jack. Jack's arrival does not go unnoticed. A young woman named Semelee, who has strange talents and lives in an isolated area of the Everglades with a group of misshapen men, feels his presence. She senses that he's "special," like her. Anya takes Jack back to Dad's senior community, *Gateways South*, which borders on the Everglades. Florida is going through an unusual drought. There's a ban on watering, everything is brown and withering, but Anya's lawn is a deep green. Who is Anya? Who is Semelee, and what is her connection to the recent strange deaths of *Gateways* residents—killed by birds, spiders, and snakes during the past year? And what are the "lights" Jack keeps hearing about? Lights that emanate twice a year from a sinkhole deep in the Everglades... lights from another place, another reality. If he is to protect his father from becoming the next fatality at *Gateways*, there are questions Jack must answer, secrets he must uncover. Secrets... Jack has plenty of his own, and along the way he learns that even his father has secrets. Repairman Jack isn't your average appliance repairman—he fixes situations for people, often risking his own life. Jack has no last name, no social security number, works only for cash, and has no qualms when it comes to seeing that the job gets done. Dr. Alicia Clayton, a pediatrician who treats children with AIDS, is full of secrets, and she has just inherited a house that holds another. Haunted by painful memories, Alicia wants the house destroyed—but somehow everyone she enlists to help ends up violently killed. The house holds a powerful secret, and Alicia's charmless brother Thomas seems willing to do anything to get his hands on that secret himself. But not if Repairman Jack can find it first! *Legacies* is the first thrilling novel in the Repairman Jack series from bestselling author F. Paul Wilson At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In 1992, as Desert Storm rages through Iraq, 22-year-old Jack takes over his favorite bar, The Spot, and demonstrates his innate talent for seeing biters get bit.

Repairman Jack is back! An anonymous mercenary, with no last name and no social security number, Jack has thrilled a veritable army of readers ever since his bestselling debut in *The Tomb*. Jack can fix any problem, supernatural or otherwise, for a price. Now, in his latest gripping adventure, he takes on two cases at once. The first involves a nun being blackmailed by someone who has photos of her she doesn't want made public. What's in those photos, she won't say, but with her meager savings just about exhausted, she hires Jack to help her. The second seems straightforward enough, as an elderly woman hires Jack to find her missing son. But to locate his quarry, Jack must infiltrate the inner reaches of the Dormentalist Church, a secretive, globe-spanning cult whose members include some of the biggest and most powerful names in entertainment, sports, and politics. Ruthless in its pursuit of critics and enemies, the Church hides a sinister agenda known only to its ruling elite. But Jack can be ruthless, too, going to darker lengths than ever before as he crisscrosses the two fix-it jobs to settle the deadliest of scores! The ninth Repairman Jack novel from F. Paul Wilson brims with murder, international terrorism, sibling rivalry, and a truly infernal device. A mutual tragedy throws Jack together with his brother Tom, a judge from Philadelphia. They've never been close, and it doesn't take Jack long realize that's a good thing. Tom and he are opposites. Still, Tom convinces Jack to go on a trip to get to know each other better. He has a map locating a wreck off the coast of Bermuda and wants Jack to help him find it. Reluctantly Jack agrees. But instead of treasure they find a strange object, part organic, part manmade, known as the Lillitongue of Gefreda. Ancient lore claims that it is a means "to elude all enemies and leave them helpless." The big question is, why does Tom want such a thing? And if the Lillitongue lives up to the legend, where does it take you? No one seems to know. Matters take a bizarre and dangerous turn--no surprise for a Repairman Jack novel--when someone accidentally activates the Lillitongue. Jack is back, for 2002. F. Paul Wilson's engaging, self-employed, off-the-books fixer, Repairman Jack, returns for another intense, action-packed adventure just a little over the border into the weird, in *The Haunted Air*. First introduced years ago in the bestseller *The Tomb*, Jack has been the hero of a series of exciting novels set in and around New York City including *Legacies*, *Conspiracies*, *All the Rage*, and *Hosts*. "Repairman Jack is a wonderful character, ultracompetent but still vulnerable. Wilson strolls into X-Files territory and makes it his own, keeping the action brisk and the level of suspense steadily rising," said the *San Francisco Examiner & Chronicle*. In Astoria, Queens, the lively ethnic neighborhood just across the river from Manhattan, a house is being haunted by the ghost of a nine-year-old girl in riding clothes. More than two decades before, she'd been abducted from stables in Brooklyn. Now it's up to Jack to uncover the truth of her story and liberate the pretty, blond spirit. Perhaps the answer is in the odd little store called the Shurio Coppe? Ah, but that would be telling. Jack does things no human being should be able to do, but we watch, in horrified fascination, as the forces of evil seem about to triumph and fill the world with eternal darkness. And then-- but you must read the book. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

When genius Weezy Connell discovers evidence that the collapse of the World Trade Center was part of an independent plot by a madman who used the September 11 attacks as cover, Jack is challenged to protect his long-time friend.
