Overview. In a bold and moving book that is sure to spark heated debate, the novelist and cultural critic James Carroll maps the profoundly troubling two-thousand-year course of the Church's battle against Judaism and faces the crisis of faith it has provoked in his own life as a Catholic. More than a chronicle of religion, this dark history is the central tragedy of Western civilization, its fault lines reaching deep into our culture.

That a cross can be made by holding a sword by the blade must have been convenient for a would-be conqueror, in particular, Constantine. But it also makes the central event of Christian belief the torture and murder of its most sacred founder.

~~Constantine's Sword: The
Church and the Jews by James
Carroll~~

Constantine's Sword: The Church and the Jews: A History is a book by James Carroll, a former priest, which documents the role of

Cornwell wrote the book as an advocacy paper against the leadership of Pope John Paul II within the Church and in favor of a particular so-called liberal vision of how the Church should function. The latest author to exploit the Holocaust to present an internal Church agenda is James Carroll in his new book Constantine's Sword. Carroll's stated goal is to present a "history" of the Church and the Jews to show the linkage between Catholic belief and the Nazi
