a new magazine, especially a magazine that is intended to be used of God to help grow the Body of Christ up into the stature of the fullness of Christ, we had to decide if the magazine would be a "partisan" magazine only speaking for this ministry or if it would be "non-partisan", speaking for and to the entire Body of Christ. Since we are a ministry, we know that it will be very hard not to be biased. We make no apologies for that. We believe that we can bring to print the truths that John G. Lake Ministries (with all it's subsidiaries) have brought to the Body of Christ AND be fair in presenting the truths other ministries have to share. We are in a very unique place in the printed magazine world: We don't have to make a profit! That means we can "afford" (pardon the pun) to be very selective about what advertisements we allow into the magazine. We truly desire this magazine to be a means to help launch new ministries. There are many young ministers/ministries that truly have the Word of The Lord and yet struggle to get that message out. I want to be the minister I was looking for when I had no one to help me get started. I have been a "church historian" for over 3 decades. I have gleaned much from the efforts of those who have gone before, especially in how they were able to reach multitudes without the aid of electronic devices. Each month in the "Voice of Healing" magazines published by Gordon Lindsay, the emphasis was to be a means to let people know who God was using mightily in the area healing. There were well over one hundred "Voice of Healing" ministers regularly listed along with their schedule of meetings. We plan to continue that tradition. I look forward to receiving articles, brief biographies and even schedules of ministers and ministries that we can include in future issues.

Lake was originally from Ontario, Canada. He was from a large family, which was continually affected with illness. At the age of twenty-one, he became a Methodist minister; however, he chose to enter the business world instead of accepting a church ministry. Lake was a very industrious businessman and started two newspapers before beginning a very successful career in real estate. Early in his career, Lake's wife, whom he deeply loved, fell ill with a life threatening illness. Having a lifetime of suffering and bereavement behind him, he refused to accept this. He took the radical step of taking 'his brother who had been an invalid for 22 years to Chicago see John Alexander Dowie . In a matter of just moments after healing ministers laid their hands on him, he was healed -- he got up and walked out! Next, the Lakes took their 34-year-old sister who was dying from breast cancer. She had been operated on five times and had to be carried on a stretcher. She too was healed!
