Travel distribution has become one of the most talked-about subjects in the tourism industry since technological advances have opened new channels and opportunities for suppliers of tourism, travel intermediaries and consumers. While technological advances have brought about dramatic changes, so

Read Book Damelin College Travel And Tourism Exam Papers

too has the consolidation of organisations, both in the airline and travel industries. These changes are transforming the industry and while travel agents will remain key players in distribution, their fundamental role will probably change from supplier-biased intermediaries to consumer-biased consultants.

This book is based on the concept of travel agency management. A reader will be acquainted with various concepts, such as promotion of new tourism and travel destinations, procedures and formalities of travel agency, financing and marketing and regulatory laws for tourism business in India.
