Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred

Get Free Famous Quotes From To Kill A Mockingbird With Page Numbers

One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

A historic literary event: the publication of a newly discovered novel, the earliest known work from Harper Lee, the beloved, bestselling author of the Pulitzer Prize-winning classic, *To Kill a Mockingbird*. Originally written in the mid-1950s, *Go Set a Watchman* was the novel Harper Lee first submitted to her publishers before *To Kill a Mockingbird*. Assumed to have been lost, the manuscript was discovered in late 2014. *Go Set a Watchman* features many of the characters from *To Kill a Mockingbird* some twenty years later. Returning home to Maycomb to visit her father, Jean Louise Finch—Scout—struggles with issues both personal and political, involving Atticus, society, and the small Alabama town that shaped her. Exploring how the characters from *To Kill a Mockingbird* are adjusting to the turbulent events transforming mid-1950s America, *Go Set a Watchman* casts a fascinating new light on Harper Lee's enduring classic. Moving, funny and compelling, it stands as a magnificent novel in its own right.

"Lira, a famous siren, must prove herself by stealing the heart of the man, a prince, threatening their race"--

"Fall's most provocative YA read." —Entertainment Weekly A New York Times bestseller. Someone will shoot. And someone will die. A compelling and complex novel about gun violence and white supremacy from #1 New York Times bestselling author Ellen Hopkins. People kill people. Guns just make it easier. A gun is sold in the classifieds after killing a spouse, bought by a teenager for needed protection. But which was it? Each has the incentive to pick up a gun, to fire it. Was it Rand or Cami, married teenagers with a young son? Was it Silas or Ashlyn, members of a white supremacist youth organization? Daniel, who fears retaliation because of his race, who possessively clings to Grace, the love of his life? Or Noelle, who lost everything after a devastating accident, and has sunk quietly into depression? One tense week brings all six people into close contact in a town wrought with political and personal tensions. Someone will fire. And someone will die. But who?

"In his searing, honest, and ultimately inspiring memoir, Jason Kovacs tells the story of growing up with an abusive father, who contracted HIV and ultimately died of AIDS when Jason was a teenager"--

"Funny, tender, edgy. I wanted the love story to go on forever."—Joan Johnston, bestselling author of No Longer a Stranger Written in the wonderfully honest, edgy, and hilarious voice she perfected in God-Shaped Hole, Tiffanie DeBartolo shines in a passionate new story of music, love, and sacrifice. Eliza Caelum, a young music journalist, is finally getting her footing in New York when she meets Paul Hudson, a talented songwriter and lead singer of the band Bananafish. They soon realize they share more than a reverence for rock music and plunge headlong into love. When Bananafish is signed by a big corporate label, and Paul

is on his way to becoming a major rock star, Eliza's past forces her to make a heartbreaking decision that might be the key to Paul's sudden disappearance. A layered and emotional look into the world of music, this raw summer read will resonate with readers who loved *Daisy Jones & the Six* by Taylor Jenkins Reid. Praise for Tiffanie DeBartolo's *God-Shaped Hole*: "From highs to heartbreak, DeBartolo conjures an affair to remember."—People "Honest, raw, and engaging."—Booklist "This generation's Love Story."—Kirkus Reviews

The highly anticipated sequel to the instant New York Times bestseller, *A Good Girl's Guide to Murder!* More dark secrets are exposed in this addictive, true-crime fueled mystery. Pip is not a detective anymore. With the help of Ravi Singh, she released a true-crime podcast about the murder case they solved together last year. The podcast has gone viral, yet Pip insists her investigating days are behind her. But she will have to break that promise when someone she knows goes missing. Jamie Reynolds has disappeared, on the very same night the town hosted a memorial for the sixth-year anniversary of the deaths of Andie Bell and Sal Singh. The police won't do anything about it. And if they won't look for Jamie then Pip will, uncovering more of her town's dark secrets along the way... and this time everyone is listening. But will she find him before it's too late?

A psychological horror with a literary twist, *Kill Creek* delivers elevated prose, while evoking the unnerving, atmospheric terror essential to greats like Peter Straub and Stephen King—a haunting that lingers long after turning the last page.

A New York Times Notable Book A revised collection with thirteen essays, including six new to this edition and seven

Get Free Famous Quotes From To Kill A Mockingbird With Page Numbers

from the original edition, by the “star in the American literary firmament, with a voice that is courageous, honest, loving, and singularly beautiful” (NPR). Brilliant and uncompromising, piercing and funny, *How to Slowly Kill Yourself and Others in America* is essential reading. This new edition of award-winning author Kiese Laymon’s first work of nonfiction looks inward, drawing heavily on the author and his family’s experiences, while simultaneously examining the world—Mississippi, the South, the United States—that has shaped their lives. With subjects that range from an interview with his mother to reflections on Ole Miss football, Outkast, and the labor of Black women, these thirteen insightful essays highlight Laymon’s profound love of language and his artful rendering of experience, trumpeting why he is “simply one of the most talented writers in America” (New York magazine).

SparkNotes LLC. offers a study guide for the Pulitzer Prize-winning novel "To Kill a Mockingbird," written by American author Harper Lee (1926-). The guide, compiled by Ross Douthat, contains a plot overview, character analysis, chapter summaries, quotations, and more.
