14E. Written by leading finance authors Gene Brigham and Phillip Daves, this reader-friendly presentation blends in-depth discussions of core financial management issues with the most current coverage of topics reshaping finance today, including the unfolding impact of the global pandemic and the consequences of the 2017 Tax Cuts and Jobs Act. This comprehensive edition balances theory with practical application, using corporate valuation as a unifying theme to emphasize the theoretic groundwork for value maximization. Integrated, extensive Excel tools and spreadsheet models work with recent examples, mini-cases and exercises to illustrate how financial theory in practice leads to stronger financial decisions, now and throughout your career.
