About the Ford Focus. Designed to replace the Ford Escort, the Focus has been through four generations, the latest becoming available as recently as 2019. The most recent Ford Focus cars have an exterior that features a sportier design, while the idea for the interior design was to tone things down on previous versions to make design touches simpler and more streamlined.

*8,755 Used Ford Focus Cars for sale at Motors.co.uk*

The Focus is available with a range of powerful and highly fuel-efficient engines, all complemented by 8-speed automatic or 6-speed manual transmissions. The exterior design has also been sculpted to create a shape that's both athletic and aerodynamic, whilst helping to improve efficiency even further.
