\*SET TO BE A MAJOR MOTION PICTURE DIRECTED BY EDGAR WRIGHT (SCOTT PILGRIM VS. THE WORLD)\* For fans of Fredrik Backman and Gail Honeyman, a delightfully entertaining, deceptively poignant debut novel about a humanlike bot named Jared, whose emotional awakening leads him on an unforgettable quest for connection, belonging and possibly even true love Jared works as a dentist in small-town Michigan. His life is totally normal, except for one thing. He is a bot engineered with human DNA to look and act like a real person. One day at a screening of a classic movie, Jared feels a strange sensation around his eyes. Everyone knows that bots can't feel emotions, but as the theater lights come on, Jared is almost certain he's crying. Confused, he decides to watch more old movies to figure out what's happening. The process leads to an emotional awakening that upends his existence. Jared, it turns out, can feel. Overcome with a full range of emotions, and facing an imminent reset, Jared heads west, determined to forge real connections. He yearns to find his mother, the programmer who created him. He dreams of writing a screenplay that will change the world. Along the way, he might even fall in love. But a bot with feelings is a dangerous proposition, and Jared's new life could come to an end before it truly begins. Delectably entertaining and deceptively moving, Set My Heart to Five is a profound exploration of what makes us human and a love letter to outsiders everywhere.

A Goodreads "YA Best Book of the Month" An Amazon "Best Book of the Month: Science Fiction & Fantasy" Zera is a Heartless—the immortal, unaging soldier of a witch. Bound to the witch Nightsinger, Zera longs for freedom from the woods they hide in. With her heart in a jar under Nightsinger's control, she serves the witch unquestioningly. Until Nightsinger asks Zera for a prince's heart in exchange for her own, with one addendum: if she's discovered infiltrating the court, Nightsinger will destroy Zera's heart rather than see her tortured by the witch-hating nobles. Crown Prince Lucien d'Malvane hates the royal court as much as it loves him—every tutor too afraid to correct him and every girl jockeying for a place at his darkly handsome side. No one can challenge him—until the arrival of Lady Zera. She's inelegant, smart-mouthed, carefree, and out for his blood. The prince's honor has him quickly aiming for her throat. So begins a game of cat and mouse between a girl with nothing to lose and a boy who has it all. Winner takes the loser's heart. Literally. The Bring Me Their Hearts series is best enjoyed in order. A poetic fairy tale with valuable life lessons, stunning artwork and magnificent cutouts that will enchant you. For all ages.

Whitney Ainsworth has had a very tough year. First up was the very public divorce from an A-list actress, and then the third book in her popular suspense series bombed. She's got a chronic case of writer's block and feels like a fraud getting paid to give speeches about achieving success. After a particularly disastrous event, Whitney's manager suggests a romantic distraction might be in order. Gabriela Talbot never expected to hear back when she requested an interview with her favorite author—certainly not after the scathing review she'd given Whitney's latest book. She's thrilled when the opportunity arises. What happens next isn't what either expected, and although passions flare, Whitney is furious when she learns she's slept with the enemy. Their already rocky road to friendship—or something more—is complicated by family, Hollywood's expectations, and an ex-wife who's set to star in the film adaptation of Whitney's first book. Will they find their way to love or will insecurities and outsiders prove too much to overcome?
