Spiritual Preparation . The Hajj is a journey of a lifetime, during which one is reminded of death and the afterlife, and returns a renewed person. The Quran tells the believers to "take provisions with you for the journey, but the best of provisions is God-consciousness..." (2:197). So spiritual preparation is key; one should be ready to face God with complete humility and faith.

INTRODUCTION Hajj, the fifth pillar of Islam, brings together Muslims of all races and creed to adopt two unidentifiable white pieces of cloth in an awesome demonstration of Islam's total disregard of insignificant issues like race, social position and nationality. Annually, several million people make the pilgrimage to Makkah from every corner of the globe, providing a unique opportunity of those different nations to meet one another, making it the largest gathering in the world. It is a clear-cut act of worship, but also it is symbolic and represents the spirit's return to its place of origin. Hajj is an essential duty (fardh) for all Muslims, who are physically and financially able to perform it. Allah Ta'ala has prescribed certain rites that a pilgrim should uphold for his pilgrimage to be correct. The primary condition is intention (niyyah), while the others will be mentioned in their places. The meaning of the pilgrimage (Hajj meaning effort) is to leave all worldly activities aside and go forth to meet Allah Ta'ala. The purpose of Hajj is to develop consciousness of Allah Ta'ala and also spiritual upliftment. It is also an opportunity to atone sins collected throughout life. Prophet Muhammad [PBUH] had said that a person who performs Hajj properly "will return as (sinless as ) a newly born baby. Due to the usual practice of Umrah being performed before the Hajj, it was deemed appropriate that this publication starts with Umrah. The first part of this book deals with the procedures of Umrah. It clearly outlines the entire procedure of how Umrah should be performed, explaining each part of Umrah individually and giving a breakdown of which actions are necessary and which one's are Sunnah and virtuous. Thereafter the rites of Hajj are described in full in the same clear distinctive manner. Starting from the explanation of the three types of Hajj and how they differ. The "Hajj at a glance" diagram has been specially made to assist the Hajji in simplifying the procedure further.

print technologies made the wide dissemination of ideas possible; oceangoing steamers carried goods to faraway markets and enabled the greatest long-distance migrations in recorded history. In this volume, leading scholars of the Islamic world recount the enduring consequences these technological, economic, social, and cultural revolutions had on Muslim communities from North Africa to South Asia, the Indian Ocean, and China. Drawing on a multiplicity of approaches and genres, from commodity history to biography to social network theory, the essays in *Global Muslims in the Age of Steam and Print* offer new and diverse perspectives on a transnational community in an era of global transformation.

*Islamic Guide To Sexual Relations* by Mufti Muhammad Ibn Adam al-Kawthari. 2010 edition. Fulfilment of sexual desire and needs are key in sustaining a harmonious marital relationship. However, in today's society, sexual boundaries are being pushed further and further, and often, sexual deviance is openly practised. In such circumstances, there is a need to identify which sexual activities are permissible in Shariah. *Islamic Guide to Sexual Relations* is a serious endeavour to tackle these sensitive matters in a clear and concise manner. While being respectful and dignified in the language he employs, the author does not shy away from discussing sensitive issues. He records, in thorough detail, the guidance Islam provides regarding sexual encounters with one spouse. The book covers a wide range of issues, and thus, answers many frequently asked questions on the topic of sexual relations. It concludes with a short chapter addressing Islamic etiquettes and practises pertaining to newlyweds on their first night. I have found this work to be beneficial and highly informative, and strongly recommend the study of this book to all prospective couples, and indeed, to all couples. - Mufti Zubair Bayat, Director: Darul Ihsan centre, Durban, South Africa I highly recommend this excellent, thorough book by Mufti Muhammad ibn Adam on an important and sensitive topic that many "if not most Muslim couples are woefully unaware of. - Shaykh Faraz Rabbani, *Seekers Guidance*. "This guide essentially aimed at Muslims reveals a surprisingly liberal view on sexuality considering many of the rules and etiquettes for matrimonial relationship were established 1400 years ago. Modern psychosexual medicine has been a relatively young member of the field of medicine and echoes much of the Islamic view contained in this book. Muslims will no doubt be surprised by some of the legal rulings regarding intimate relationships between the married couple which has in essence removed many cultural concretio
