## Chassis | Genuine Humvee Parts

An engine replacement is a costly and complicated process which should be undertaken by professional mechanics. After 150,000 miles, even a repaired or replaced motor could run into other problems when parts begin to fail. But the Hummer is a one-of-a-kind vehicle whose all-purpose design is a standard for all-terrain vehicles.

## Joint Light Tactical Vehicle - Wikipedia

The Humvee replacement process undertaken by the U.S. military focused on interim replacement with MRAPs and long-term replacement with the Joint Light Tactical Vehicle (JLTV). The HMMWV has evolved several times since its introduction and was used in tactical roles for which it was never originally intended.
