consists of a charter type set of principles of what we would like to expect from good public services and organisations. Organisations then test these principles in various ways with their employees and/or customers/recipients of support.

Be-Human.org.uk – Be Human

A beautifully restless and atmospheric read, *How to Be Human* is quite the ride. This debut is a portrait of one woman's bright descent as she journeys to find answers and control in her life. *How to Be Human* finds the protagonist, Mary, at a crucial time. Stuck with a lackluster job and a strong absence of desire to have children (much to her pushy ex-fiancé's dismay), all she has is the house she fought for.

How to Be Human by Paula Coccozza - Goodreads

If 'human' means 'my own natural kind,' then referring to a being as human boils down to the assertion that the other is a member of the natural kind that the speaker believes herself to be.
