Manuals – Kubota Australia

It is time for some maintenance to be done on our Kubota B7500 tractor. A quick oil change made a huge difference. Visit our Kit Store to see the products we...

Kubota B7500 Oil Change - YouTube

A parts, service, and operator's manual can help you evaluate the current condition of any used Kubota tractor. The first thing you first need to assess is the hydraulic system (which is also called the three-point hitch). With a manual, you can then identify how it works, and you can also see if it is still in good condition.
