Last Train to Babylon: A Novel - Kindle edition by Fam ...

After missing the last train home out of New York City, Sam and Susie, two strangers find themselves stuck in Pennsylvania Station until sunrise. With lots of time to kill and absolutely nothing to do, they decide to go back out into the night and explore the city during its after hours. Plot Summary | Add Synopsis

Last Train to Babylon (2016) - IMDb

Last Train to Babylon was one of the worst books I've read in a while. I usually reserve one star reviews for books that I can't bear to finish, but this one I actually did make it through, and I regret it. The main character is so appallingly unlikeable that it's hard to get through it.

Last Train to Babylon by Charlee Fam - Goodreads

Charlee Fam is a twentysomething novelist living in New York City. A native of Long Island, she graduated from Binghamton University in 2010 with a degree in creative writing and several awards to her name. Last Train to Babylon is her first novel.

## Read Book Last Train To Babylon A Novel Charlee Fam

Fans of Alice Sebold and John Green will be transfixed by this sophisticated, edgy debut novel packing dark humor, biting wit, and a lot of Jack Daniels. Who put the word fun in funeral? I can't think of anything fun about Rachel's funeral, except for the fact that she won't be there. Aubrey Glas

Last Train to Babylon: A Novel – HarperCollins Publishers UK  
by Charlee Fam Charlee Fam 's debut, LAST TRAIN TO BABYLON, is the intense story of a young woman 's acceptance of and road to recovery following a devastating trauma. Twenty-something Manhattan resident Aubrey Glass is a self-described cold-hearted girl.

Last Train to Babylon | Bookreporter.com

I received Last Train to Babylon as part of the Early Reviewers program. I'm not sure if it is because of my age or something else, but this story did not work for me. I found the overall structure of the book reminded me of a YA novel and the writing did as well.

Fans of Alice Sebold and John Green will be transfixed by this sophisticated, edgy debut novel packing dark humor, biting wit, and a lot of Jack Daniels. Who put the word fun in funeral? I can 't think of anything fun about Rachel 's funeral, except for the fact that she won 't be there. Aubrey Glass has a collection of potential suicide notes—just in case. And now, five years—and five notes—after leaving her hometown, Rachel 's the one who goes and kills herself. Aubrey can 't believe her luck. But Rachel 's death doesn 't leave Aubrey in peace. There 's a voicemail from her former friend, left only days before her death, that Aubrey can 't bring herself to listen to—and worse, a macabre memorial-turned-high-school reunion that promises the opportunity to catch up with everyone . . . including the man responsible for everything that went wrong between Aubrey and Rachel. In the days leading up to the funeral and infamous after party, Aubrey slips seamlessly between her past and present. Memories of friendship tangle with painful new encounters while underneath it all Aubrey feels the rush of something closing in, something she can no longer run from. And when the past and present collide in one devastating night, nothing will be the same again. But facing the future means confronting herself and a shattering truth. Now, Aubrey must decide what will define her: what lies behind . . . or what waits ahead.

It was already dusk. The last train towards East Java was ready to depart. The station master was holding a sign of departure and the departure warning was sounding. A young soldier in his uniform was ready to depart. He had a backpack and rifle on his back and a pistol at his waist. He was standing on the platform with a girl. They gazed at each other; neither of them could break away. Putting both his arms on her shoulders, he looked deep into her eyes. His gaze penetrated her heart deeply. At that moment, the girl felt and knew that she would not see him again. This was a farewell. He would never come back.

The classic apocalyptic novel that stunned the world.

Pam Smith is a Long Island housewife who spends her weekdays preparing for her husband Jack to return every weekend from the city. Their life is a perfect picture of Americana, a modern Norman Rockwell painting of success, comfort, and the love of family and friends. Then, on a Saturday that seems no different than any other, tragedy strikes and Pam faces the greatest challenge of her previously charmed life. A riveting plot, shocking twists, and almost unbearable tension mark Suzanne Jenkins' debut, a heart-wrenching examination of lives suddenly and irrevocably torn apart. On his routine weekend trip home, Jack has a heart attack on the train and Pam soon finds herself on a trip to identify his body. Theoretically, this should give her some form of closure, but instead it is the moment her life takes an unexpected trip down the rabbit hole of intrigue and past sins come shockingly to life. Pam must confront a series of revelations that unmask a life she realizes she only thought she knew, and the losses and disappointments she discovers give color and understanding to a man markedly different than he appeared. Uncovering secrets and betrayals far worse than her most vivid nightmare, Pam retreats to their meticulous Babylon beach house, the one refuge she has to put the pieces of her life together and move toward ultimate forgiveness. A fascinating, multiple point of view character study about confronting mistakes and omissions in life, Jenkins' novel demonstrates the devastating consequences of our actions and how they can reverberate through generations. But it is through forgiveness that Pam finds redemption and strength, eschewing the option of victimization for one of power and, ultimately, personal peace. Affecting in its fast pacing and spare, evocative prose, Pam of Babylon is a powerful reminder for us all to strive to be better people.

Marina Benjamin grew up in London feeling estranged from her family's exotic Middle Eastern ways. She refused to speak the Arabic her mother and grandmother spoke at home. She rejected the peculiar food they ate in favor of hamburgers and beer. But when Benjamin had her own child a few years ago, she realized that she was losing her link to the past. In Last Days in

Babylon, Benjamin delves into the story of her family's life among the Jews of Iraq in the first half of the twentieth century. When Iraq gained independence in 1932, Jews were the largest and most prosperous ethnic group in Baghdad. They dominated trade and finance, hobnobbed with Iraqi dignitaries, and lived in grandiose villas on the banks of the Tigris. Just twenty years later the community had been utterly ravaged, its members effectively expelled from the country by a hostile Iraqi government. Benjamin's grandmother Regina Sehayek lived through it all. Born in 1905, when Baghdad was still under Ottoman control, her childhood was a virtual idyll. This privileged existence was barely touched when the British marched into Iraq. But with the rise of Arab nationalism and the first stirrings of anti-Zionism, Regina, then a young mother, began to have dark premonitions of what was to come. By the time Iraq was galvanized by war, revolution, and regicide, Regina was already gone, her hair-raising escape a tragic exodus from a land she loved -- and a permanent departure from the husband whose gentle guiding hand had made her the woman she was. Benjamin's keen ear and fluid writing bring to life Regina's Baghdad, both good and bad. More than a stirring story of survival, *Last Days in Babylon* is a bittersweet portrait of Old World Baghdad and its colorful Jewish community, whose roots predate the birth of Islam by a thousand years and whose culture did much to make Iraq the peaceful desert paradise that has since become a distant memory. In 2004 Benjamin visited Baghdad for the first time, searching for the remains of its once vital Jewish community. What she discovered will haunt anyone who seeks to understand a country that continues to command the world's attention, just as it did when Regina Sehayek proudly walked through Baghdad's streets. By turns moving and funny, *Last Days in Babylon* is an adventure story, a riveting history, and a timely reminder that behind today's headlines are real people whose lives are caught -- too often tragically -- in the crossfire of misunderstanding, age-old prejudice, and geopolitical ambition.

THE LAST TRAIN AT SUNSET is a book of short articles and poems that are easy to read. The author seeks to present the gospel of Jesus Christ to all who do not know it, who do not understand it, or do not understand the urgency of it. This message is urgent, because after life here on earth, eternity awaits each individual. Eternity will be in heaven or hell, but it does not have to be in hell; believing in Jesus Christ guarantees eternity in heaven. Choosing not to believe in Jesus Christ does not exempt anyone from the consequences of unbelief. The book also contains articles that will help any Christian in their Christian walk.

Dream Lover by Julie Kistler released on Mar 25, 1994 is available now for purchase.

An acclaimed travel writer and novelist describes his journey across Africa, from Cape Town to Cape Province and into Namibia, riding elephants, meeting Bushmen and discussing the changes that have taken place since his first visit 50 years ago.
