"Lawnboy is, quite simply, the real thing, a novel of mystery and great beauty." -Michael Cunningham They all thought I was good-natured, upright and responsible, generous, affectionate, and kind, and of course I could be those things, but there was much more to me than that, a side that unnerved even myself, and this side included William. Seventeen-year-old Evan's adventure begins with mowing a neighbor's lawn, a summer job that leads him into an unpredictable world of desire and betrayal. Estranged from his parents and his older brother, he moves in with forty-one-year-old William and begins a disastrous series of attempts to make a new home. Must he make a choice between his family and desire? First published to wide acclaim in 1999, Lawnboy by Paul Lisicky wanders the lush and tumultuous landscape of the early 1990s, its south Florida setting as fertile and troubling as Evan's inner life.

A COMPLETE GUIDE Recommended for Ages 15 and Older This book explains how to start and operate your own lawn mowing business: • It shows the easiest ways to get customers . . . • How to set prices . . . • How to make the most income per hour of work . . . • How to keep a simple schedule and much more . . . • Tells you everything you need to know . . . When done on a part-time basis, there are no tight schedules. Grass can be cut at your own convenience, without interfering with other activities. Grass grows and work is available during three seasons of the year. There is practically no investment if you already have a mower. Expected earnings can be three to four times higher than the minimum wage rate of pay, sometimes much more.
