Traces the author's descent from a life of wealth and privilege into crystal meth addiction and petty crime throughout the course of a year, a period during which he came to an understanding of the side effects of crystal meth use and suffered a near-psychotic event that prompted his decision to get clean. Reprint. 25,000 first printing.

A behind-the-scenes look at Lexus's surprising twenty-year success story--in a revised new edition In the 1980s, German brands BMW and Mercedes-Benz dominated the luxury car market and had little reason to fear competition from Japan. But in 1989, Toyota entered the market with the Lexus LS 400, a car that could compete with the Germans in every category but price--it was US\$30,000 cheaper. Within two years, Lexus had overtaken Mercedes-Benz in the United States and made a stunning success of Toyota's brave foray into the global luxury market. Lexus: The Relentless Pursuit reveals why Toyota decided to take on the German automakers and how the new brand won praise and success for its unparalleled quality, unforgettable advertising, and unprecedented customer service. From the first boardroom planning session to Lexus's entry into the mega-luxury supercar market, this is the complete and compelling story of one of the world's most admired brands. Includes a new Foreword by legendary designer Erwin Lui, an Afterword with updates since the first edition, and a new Coda by leading Japanese automotive journalist Hisao Inoue Covers the racetrack triumph and tragedy behind the new US\$375,000 Lexus LFA supercar Offers important business lessons for brand managers and executives For car enthusiasts, business leaders, and anyone interested in branding and marketing, Lexus: The Relentless Pursuit offers an amazing story of excellence and innovation in the automotive industry.

Landon Brinkley's dreams are all coming true. She's landed an internship with the fabulous Selah Smith, event planner for the Hollywood elite, taking her from small-town Texas to the bright lights of LA. Landon soon finds herself in a world in which spending a million dollars on an event--even a child's birthday party--is de rigueur and the whims of celebrity clients are life-and-death matters. At first, the thrill of working on A-list parties and celebrity weddings is enough to get Landon through the seventy-five-hour workweeks and endless abuse at the hands of her mercurial boss. But when the reality of the business reveals itself, she's forced to make a choice: do whatever it takes to get ahead, or stay true to herself. Drawing on the author's real-life experiences as an event planner to the stars, Party Girl takes readers on an adventure among Hollywood's most beautiful--and most outrageous--people, revealing the ugly side of Hollywood's prettiest parties.

THE LEXUS STORY is the official, inside account of the making of America's leading luxury automotive brand. From the creative sparks kindled in Lexus' far-flung design studios to the engineering refinements that translate into ideals of luxury into steel, glass, and rubber, THE LEXUS STORY takes readers deep inside the making of first-class automobiles.
