Why did the New York City school district once have the lowest ratio of minority teachers to minority students of any large urban school system in the country? Using an array of

Get Free License Coach Exam Answers

historical sources, this provocative book explores the barriers that African American and Latino candidates faced in attempting to become public school teachers in New York from the turn of the century through the end of the 1970s. Christina Collins argues that no single institution or policy was to

Get Free License Coach Exam Answers

blame for the city's low numbers of non-white educators during this period. Instead, she concludes in this deeply researched book that it was the cumulative effect of discriminatory practices across an entire system of teacher training and selection that created New York's unique lack of

Get Free License Coach Exam Answers

racial diversity in its teaching force. Because of its size and diversity, New York represents a particularly valuable case study to learn more about the history of urban teachers in the United States. And, with the current mandate for qualified teachers under the federal No Child Left Behind Act, this

Get Free License Coach Exam Answers

fascinating historical account will be essential reading as we debate who is qualified to teach in public school classrooms now and in the future.
