Detail Your Financial Goals . Take some time to write specific, long-term financial goals. You may want to take a month-long trip to Europe, buy an investment property, or retire early. All of these goals will affect how you plan your finances. For example, your goal to retire early is dependent on how well you save your money now.

First and foremost, be sure to keep your business and personal finances separate—on paper and in practice. It's perhaps the most effective way to ensure that your personal assets remain clearly delineated from the business assets. Your financial advisor can help you put in place best practices for managing both business and personal finances.
