THE NEW YORK TIMES NUMBER ONE BESTSELLER Mitch Rapp's cover has been blown. After leading a team of commandoes deep into Iraq, he has been publicly hailed by the president as the single most important person in the war against terrorism. After years of working covertly behind the scenes, Rapp is now in the glare of the public spotlight, marked by every terrorist from Jakarta to London, who now know his identity. Consequently, Rapp is resigned to leaving the front line. That is, until a platoon of Navy SEALs on a covert mission to the Philippines suffers a surprise attack. All evidence concludes that the source of the mission's leak lies in the US State Department and the Philippine embassy. But a greater threat still lurks - an unknown assassin working closely with the highest powers in the Middle East bent on igniting war. Now, with the world probing into his every move, will Rapp be able to overcome this anonymous foe and once again protect the world from the threat of international terrorism? AMERICAN ASSASSIN, book one in the series, is soon to be a MAJOR MOTION PICTURE starring Dylan O'Brien (Maze Runner), Taylor Kitsch (True Detective) and Michael Keaton. For ten years Mitch Rapp has fought on the frontline of the War on Terror. His bold actions have saved the lives of thousands -- but in the process his list of enemies has grown inexorably. There are even those within his own government who would like to see him eliminated. Thousands of miles away, the influential father of a dead terrorist demands retribution for the death of his son. He wants Rapp dead -- and his hate-filled plea has found sympathetic ears. In the tangled, duplicitous world of espionage, there are those, even among America's allies, who feel Rapp has grown too effective. They've been looking for an excuse to eliminate America's No 1 counterterrorism operative -- and they've decided to seize the chance. The Hunter has become the Hunted. A tragedy of unimaginable proportions is about to befall Mitch Rapp -- and he must use all his cunning, skill and ruthless determination to stay alive and seek vengeance against the traitor who would bring him down.

On a busy Washington morning, amid the shuffle of tourists and the brisk rush of government officials, the stately calm of the White House is shattered in a hail of gunfire. A group of terrorists has descended on the Executive Mansion, and gained access by means of a violent massacre that has left dozens of innocent bystanders murdered. The president is evacuated to his underground bunker - but not before almost one hundred hostages are taken. While the politicians and the military leaders argue over how to negotiate with the terrorists, one man is sent to break through the barrage of panicked responses and political agendas surrounding the crisis. Mitch Rapp, the CIA's top counterterrorism agent, makes his way into the White House and soon discovers that the president is not as safe as Washington's power elite had thought. And, in a race against time, he makes a chilling discovery that could determine the fate of America - and realizes that the terrorist attack is only the beginning of a master scheme to undermine an entire nation. Look out for the new Vince Flynn novel, The Survivor, published in autumn 2015!
