Language * Literacy * ContentReach Higher guides students to learn English, learn about the world, and learn about themselves through authentic content with a global perspective. Primary students develop the academic language skills and content knowledge they need to get an education in English. * Cross-curricular, six-level program showcases original fiction, science, and social studies content to develop English literacy skills * Academic skill-building with phonics support develops students' understanding of different cultures while fostering independent learning* All-in-one Classroom Presentation Tool provides the resources teachers need to prepare for, address, and assess a comprehensive range of instructional priorities and requirements* Read on Your Own phonics readers use fiction and non-fiction texts to reinforce the phonics and high-frequency words in Reach High through science and social studies content

An essential teacher's companion to an innovative, uniquely visual English-language course, this e-guide helps English teachers--including those for whom English is not their native language--create clear, focused lesson plans, explain difficult concepts in a simple and concise way, and make language learning exciting, intuitive, and incredibly easy. This teacher's e-guide is designed to accompany English for Everyone, a comprehensive course in English as a foreign language for adults. English for Everyone combines innovative and systematic visual teaching methods with the best of DK design to make the English language easy to understand and learn. Key language skills, grammar rules, and vocabulary are reinforced with listening, speaking, reading, and writing exercises, available in print and digital formats. The English for Everyone Teacher's Guide helps busy classroom teachers or one-on-one tutors get the most out of using the course with their students. Its step-by-step guide to the crystal-clear, tightly structured teaching method shows teachers how to explain even the trickiest points of English in an engaging, easy-to-follow way. It also includes instructions for the series' highly versatile exercises, which are primarily suitable for homework, independent study, or one-on-one tutoring, but are readily adapted for classroom or group activities.

With 100% new content, the third edition of Oxford's best-selling secondary course offers the tried and trusted Solutions methodology alongside fresh and diverse material that will spark your students' interest and drive them to succeed.Oxford University Press's best-selling course for teenagers is now

available in a third edition, providing new and exciting content that is delivered using the successful methodology of the previous editions. The third edition offers a brand new comprehensive listening syllabus as well as word skills lessons, allowing students to master key listening sub skills, expand their vocabulary, and become confident communicators. Solutions turns all students into active learners, by offering a rich variety of learning opportunities for a whole range of abilities through extension and revision activities in all components - giving everyone a sense of achievement whatever their level.

The Time Machine is a science fiction novella by H. G. Wells, published in 1895 and written as a frame narrative. The work is generally credited with the popularization of the concept of time travel by using a vehicle or device to travel purposely and selectively forward or backward through time. The term "time machine", coined by Wells, is now almost universally used to refer to such a vehicle or device.

"Just when you thought it couldn't get any better!" A new edition of the best-selling English File - the best way to get your students talking. A blend of completely new lessons, updated texts and activities, together with the refreshing and fine-tuning of some favourite lessons from New English File - English File third edition provides the right mix of language, motivation, and opportunity to get students talking.
