The Truth About Evocation of Spirits by Donald Michael Kraig reveals the real secrets of communicating with non-physical entities. You will find that many of the things you've seen in novels or movies aren't needed: no fancy apparatus, no hypnotic trances. With this small book, evoking spirits becomes something you can do. You'll discover what evocation really is. You'll learn a bit about its history and why the ancient grimoires describing it are

full of traps and things to waste your time. Here you will learn, step-by-step, everything you need to contact spirits described in ancient texts such as The Lesser Key of Solomon the King. First, you'll need to prepare. This simply involves determining which spirit you wish to call, making a copy of its "sigil" (signature), and also constructing a place for it to appear: the Triangle of the Art. Then gather some common items such as candles, paper, and pen and, with the help of this book, you can do this magick! When you have everything, you are ready to begin. Start with a banishing. Here you will find a complete version of the famous Lesser Banishing Ritual of the Pentagram. Next, the seer inhales incense. This alters that person's consciousness so he or she is ready to see the entity. Then call on the entity according to the instructions given here. Then you ask for information which is in the nature of the spirit to give. Or you can ask the entity you've evoked to do something that it is capable of doing. Of course, it is only fair to give something to the creature in return. That something is magical or spiritual energy. This book explains how you can create that energy and send it to the entity. Finally, you'll learn how to release the spirit you have evoked back to its home. Never before has so much information been packed into such a small space. If you want to learn this ancient science, get your copy today!

Of course, Magic is Magic wherever. But Ceremonial Magic - with or without a k ending - is perceived as largely European in origin and practice. The Golden Dawn, Aurum Solis, O.T.O were European and even AMORC, B.O.T.A., G.B.G. were mostly European inspired. As valid as these esoteric orders were and are, they are at best schools and the knowledge taught is now widely available. What is key is not the knowledge but the self-accomplishment that comes only through personal experience (otherwise known as 'self-initiation'). The essence of Magic is a simple formula based on the exercise of Will, Imagination, and Gnosis or Magical Trance. It is a 'technology' and must be mastered like any technology through understanding and practice. Like playing the piano, it takes discipline to continue practicing basic exercises until it all becomes second nature and can function as an art as well. "And, what for?" Not to perform tricks or miracles. Not to wear fancy robes and chant barbarous words. Not to reach high degrees with grand titles in a secret order. No, it is to transform and transmute your own self and thus to become more than you were, not merely to accelerate normal human evolution but to actually move beyond and be a co-creator. And to finally answer those questions: "Who am I? Where did I come from? Where am I going?" High Magic is an active program for self-discovery and Self-Realization. This book by a famed contemporary German magician self-instructs the student through a series of basic exercises and real magical practices that train the magician through a consistent program combined with examples and explanations. Each step is thorough without extravagance; the program is effective and entirely self-directed (as must be all real learning); the book is encyclopedic in depth and inclusive even of chaos and cyber magic. Tables and Charts simplify the learning process. The system starts with immediate immersion in ritual practice starting with the Kabbalistic Cross and Lesser Banishing Ritual of the Pentagram and moves through beginning to advanced levels of Practical Sigil Magic, Ritual Magic, Elemental Magic, the Greater Ritual of the Pentagram, Planetary Magic, the Hexagram Ritual, Mantra Meditation, the Magical Gaze, Magical Trance, the Pan Ritual, Money Magic, Talisman Magic, Moon Magic, Chaos Magic and Cyber Magic. In each case, practice is used to instruct - nothing is presented as 'theory only.' You will find everything analyzed, explained and justified with refreshing and truly uncommon common sense! The author fully dispels the myths and subterfuges of archaic magical orders and explores the role of the Unconscious Mind, the issues of Religion and Mysticism, the nature of High and Low Magic, the function of Myth and the role of Drama in Ritual, the Magical Nature of Reality and Magical Perception, Dream Work in relation to Magical Training, the Magical Imagination and training for Visualization, Psychic Protection, Invocation and Evocation, the Calling and Movement of Energies, Charging, Paradigm Shifting, what is really means 'to Keep Silent, ' the power of Intention & definition of Magical Goals, the ritual use of Symbols and Gestures, the power of Words, the Magician's Universe, the magical pronunciation of Hebrew Letters, the Magician's Tools, Mantric Sigils, the IAO formula, and much more. High Magic is as central to Western culture as are science, technology, the rule of law, democracy and the entrepreneurial economy. Its practice and application should be part of your daily life starting now.

"Magick is not a path for followers; it is a path for questioners, seekers, and anyone who has trouble settling for dogma and pre-formulated answers. Magick is for those who feel the desire to peel away the surface of reality and see what lies beneath. Like various persecuted forms of mysticism, magick promotes direct contact with the source of creation." —Damien Echols

But the most amazing feat of all that practice and study was to manifest my freedom." With *High Magick*, this bestselling author shares his first teaching book on the powerful spiritual techniques that helped him survive and transcend his ordeal on death row. Though our culture has consigned "magic" to fiction, stage illusions, or superstitions about dark practices, the magick Damien learned is an ancient Western tradition equal the Eastern practices of Buddhism, Taoism, and yoga in its wisdom and transformative power.
