Veteran journalist and author of *The Commandos* Douglas Waller chronicles his rare and intimate experience with the training program for Navy pilots in this “engrossing saga that will likely become an unofficial recruiting tool for naval aviation”

(Publishers Weekly). Waller, who was granted permission to participate in the pilots’ grueling training regime, has written an absorbing behind-the-scenes account of the physical and

Acces PDF Navair 00 80t 106 Newest Version

psychological trials endured by the most specialized group of pilots in military history. From his bird's-eye view in the passenger's seat, Waller follows pilot trainees through two years of intense preparation. He offers vivid illustrations from the fray: hair-raising aerial dogfights; stomach-swallowing dive-bombing runs; high-speed tactical maneuvers grazing the desert floor; and numerous nerve-twisting aircraft carrier takeoffs and landings. In addition to his own experiences and those of the group of trainees he joins, his research is based on interviews with hundreds of

Acces PDF Navair 00 80t 106 Newest Version

other students and their instructors. Hurling through the air at death-defying speeds, these pilots-in-training struggle to maintain their composure while withstanding conditions that are designed to challenge them to the very limits of human endurance. Waller's deftly drawn portraits of the men and women he encounters in this singular culture of elite pilots are as satisfying as his adventure narrative. The pilots, whose grit, determination, and mental agility operate on an elevated threshold, come into sharp focus behind Waller's keen lens: their

Acces PDF Navair 00 80t 106 Newest Version

aspirations, awe inspiring. Air Warriors combines an examination of the modern Navy, recovering from past sex scandals, with a portrayal of a privileged cadre of men and women whose ambition and commitment coexist within a tightly knit group. Waller is able to capture images of these pilots training, living, and fighting with an acuity and intelligence that are often absent from Hollywood and television treatments of this diverse and fascinating subculture. Air Warriors takes us inside the cockpit and behind closed doors for the real story of the making of a Navy pilot.
