Now We Are Six; Prev Poem. Next Poem . Famous Children Poem. A.A. Milne was an English author who lived from 1882-1956. He is best known for his stories about Winnie the Pooh, which were inspired by his son, Christopher Robin Milne's, stuffed animals. In this poem, a young child recounts the previous five years and how life was just beginning.

**Now We Are Sixty by Christopher Matthew | Waterstones**

When Christopher Matthew was six, the poems of Milne always reassured him that other children were as naughty as he was, so on reaching sixty he decided that he should adapt Now We Are Six for an older audience. Now We Are Sixty is often hilarious, sometimes rueful and always thought-provoking. Some verses are about realising we are not as young as we thought, while some are about the more disconcerting problems of modern life; mobile telephones on trains, anti-social behaviour, traffic jams ...

Whether you're six, sixty-six, or anywhere in between, this enchanting collection of verses about Christopher Robin and, of course, Winnie-the-Pooh, will enchant. Filled with gentle humor and playful rhythms, Now We Are Six contains some of the best-loved poems for children. Between its pages, readers will delight in the always accessible, sun-filled realm of the imagination, perfectly rendered in Ernest Shepard's beautiful illustrations.

**Now We Are Six by A. A. Milne, Ernest H. Shepard ...**

Now We Are Sixty (with apologiesto A.A. Milne) When I was One, I had just begun. When I was Twenty, I joined the cognoscenti. When I was Thirty, I was skinny and flirty. When I was Forty, I was athletic and sporty. When I was Fifty, I was conscientious and thrifty. But now in my Sixties, I'm as clever as clever. So I think I'll be sixty for ever and ever.

**About Me – Now we are Sixty**

Find Now We Are Sixty by Matthew, Christopher at Biblio. Uncommonly good collectible and rare books from uncommonly good booksellers

A.A. Milne's childhood rhymes are rewritten for sixty-year-olds covering such topics as middle-age-spread, pensions, inflation, traffic jams, and cell phones.

When Christopher Matthew was six, the poems of Milne always reassured him that other children were as naughty as he was, so on reaching sixty he decided that he should adapt Now We Are Six, for an older audience. Now We Are Sixty is often hilarious, sometimes rueful and always thought-provoking. Some verses are about realising we are not as young as we thought, while some are about the more disconcerting problems of modern life; mobile telephones on trains, anti-social behaviour, traffic jams and the internet.

A collection of poems reflecting the experiences of a little English boy growing up in the early part of the twentieth century.

From the Pulitzer Prize winning poet comes this "nearly perfect collection issued to celebrate his being named poet laureate of the United States" (The New York Times). Charles Simic has been widely celebrated for his slyly original poetic imagery; his social, political, and moral alertness; his uncanny ability to make the ordinary extraordinary; and, not least, his sardonic humor. Gathering much of his material from the seemingly mundane minutiae of American culture, Simic unpacks spiritual concerns and the weight of history with a nimble wit, shifting between moments of clear vision and intense poetic revelation. "It takes just one glimpse of Charles Simic's work to establish that he is a master, ruler of his own eccentric kingdom of jittery syntax and signature insight."—Los Angeles Times "Few poets have been as influential—or as inimitable."—The New York Times Book Review

Cameron Fletcher and Lucas Hensley are advertising executives who have Sixty Five Hours to pull together the campaign of their careers. Sixty Five Hours to get along. Sixty Five Hours to not kill each other. Sixty Five Hours to fall in love. \*\* First published in 2012. New Cover in 2019 - No additional content has been added.

Barely had the first copies of Now We Are Sixty landed in bookshops when people started to ask Christopher Matthew when he was going to write a sequel. "You could call it Now We Are Seventy!" Not being within a "fourpenny bus ride" of his Biblical quota, Matthew set his face firmly against the whole idea. Yet to his surprise, the temptation to try his hand at a few more poems proved, like life itself, irresistible. Before he knew it, an entire book's worth had been written. Here, then, is a further collection of verses, inspired by those of the great Milne. Once again, they follow the rhymes and rhythms of the master, to remind those of us who are getting on in years of the wit, wisdom, and whimsy he conjured up for the very young. Life continues to take its toll on the author, but the overall feeling remains one of cheerful resignation in the face of declining faculties, failing memory, and a maddening inability to come to grips with the VCR.

Reflections on women's aging from the New York Times—bestselling author who inspired the film The Glorias. One day I woke up and there was a seventy-year-old woman in my bed . . . Gloria Steinem has been an eloquent and outspoken voice for women's rights and equality for more than four decades. In Doing Sixty & Seventy she addresses an essential concern of people everywhere—and especially of women: the issue of aging. Whereas turning fifty, in her experience, is "leaving a much-loved and familiar country," turning sixty means "arriving at the border of a new one." With insight, intelligence, wit, and heartfelt honesty, she explores the landscapes of this new country and celebrates what she has called "the greatest adventure of our lives." While appreciating everybody's experiences as different, Steinem sees these years as charged with possibilities. Dealing with stereotypes and the "invisibility" that often accompany a woman's senior years can be as liberating as it is frustrating. It frees women as well as men to embrace that "full, glorious, alive-in-the-moment, don't-give-a-damn yet caring-for-everything sense of the right now." This ebook features an illustrated biography of Gloria Steinem including rare images and never-before-seen documents from the author's personal collection.

A sequel to the author's Now We Are Sixty, this collection once again follows the rhymes and rhythms of the great A.A. Milne, to remind those who are getting on in years of the wit, wisdom and whimsy he conjured up for those who were very young. It features a few more poems based on originals that Matthew had not tackled before, such as The Emperor's Rhyme and Sneezles.

Holly Holloway is locked in a dusty room, strapped to a ticking bomb. What would you do, if you only had one hour of life left to live? Atomic Number Sixty is the first part of a thrilling series, with 60 chapters each set in real time taking the reader 1 minute to read

Everything you need to know to look after yourself to bring about and maintain perfect health, prosperity, wealth, happiness, quality of life and longevity. It reveals that we are, without realising, not doing enough or the right things to protect our health and prosperity which is equally extremely damaging to nature, wildlife, oceans, sea-life, fresh springs, waterways and air, and us. The Book by Linde utilises new and ancient knowledge from around the world, over the millennia identifying what changes we need to make to enhance every aspect of our lives with simple solutions for almost every situation. It is your most powerful contribution to protecting, nurturing and saving our planet. In summary, 'THE BOOK' Consists of Six Chapters which incorporates a summary within each one: Lifestyle; Food & Nutrition; Medical Care; Mind; Water; and Now Live the final chapter which you can cast your eye over first as it is a synopsis of the complete works. It is highly recommend to read from cover to cover but, it is packed with valuable information to just use as a Reference Manual on a day to day basis. Teaches you how to look after your body and mind to ultimately prevent illness, but also to help regain and maintain perfect health; Provides countless number of practical, realistic & simple tips to easily adopt into your day to day lifestyle improving quality of life, saving time & money and gaining longevity; Fuses together specialised areas in health & mind, lifestyle & environment under one cover; Identifies our day to day toxic exposures that we are unaware of and provides successful resolutions; Gives you complete fundamental knowledge and awareness, to use your courage to take responsibility for your life enhancing your health, prosperity and happiness; Provides you with ancient knowledge and practices to new, from science including quantum physics, to philosophy, psychology, and important detail on nutrition, exercise, energies and medicine; Is very current, answering all the conflicting hype about diets, the next super food or the bad effects of conventional drugs or sugar that are in the media weekly, even daily; For more information please visit [www.thebookbook.co.uk](http://www.thebookbook.co.uk)
