In Truly Free best-selling author Robert Morris invites us into a glorious truth—that the promise of being set free from the slavery of sin is a promise to be set free completely. Jesus said, "All authority in heaven and on earth has been given to me" (Matthew 28:18). As believers, we have Christ and never need to be afraid. Yet it's also true that we are not immune to the effects of evil. Christ has conquered sin and death, but in his infinite wisdom—for reasons that are often difficult for us to understand—evil is still permitted to exist. Even if we're saved and trust in Christ, we may still find areas in which we just can't get victory. Maybe it's a sin we've confessed again and again or a constant struggle with depression, anger, or lust. These long-imbbeded patterns of shameful living continue to entangle us day after day, month after month, and even year after year. Although evil is real and Christians can be oppressed by it, we have the promise that the one who is in us is greater than the one who is in the world (1 John 4:4). Jesus saves us, trains us to resist the power of evil, and delivers us from anything that holds us back. With Jesus, we can be truly free forever.

Your head is the symbol of your glory. It can be caged. It can be perverted. It can be polluted. This book covers how your head can be delivered

Prayer Passport is a compendium of rare and powerful prayer points. It is a unique spiritual warfare manual leading readers into triumph over the kingdom of darkness. It is indeed a passport to victorious living and breakthroughs in the spiritual realm.

This ground-breaking exploration of the biblical counseling movement's development since Jay Adams shows how shifts in methodology and style are producing a new generation of increasingly well-balanced counselors.

This book is a product of divine revelation. It has been offered to the body of Christ to help the reader to come up with an understanding of the activities of the power of darkness that have been ignored due to ignorance. The devices of darkness are exposed. The weapons of dark powers are brought to the open in order to help battle-ready warriors learn what it takes to destroy such weapons. The book contains acidic prayer points which will enable the readers to deal decisively with the powers that attack when men sleep. This book affords you the opportunity to uproot the plantations of darkness and fulfil your destiny.

Have you ever wished you could live in an earlier, more romantic era? Ladies, welcome to the 19th century, where there's arsenic in your face cream, a pot of cold pee sits under your bed, and all of your underwear is crotchless. (Why? Shush, dear. A lady doesn't question.) Unmentionable is your hilarious, illustrated, scandalously honest (yet never crass) guide to the secrets of Victorian womanhood, giving you detailed advice on: What to wear Where to relieve yourself How to conceal your loathsome addiction to menstruating What to expect on your wedding night How to be the perfect Victorian wife Why masturbating will kill you And more! Irresistibly charming, laugh-out-loud funny, and featuring nearly 200 images from Victorian publications, Unmentionable will inspire a whole new level of respect for Elizabeth Bennett, Scarlet O'Hara, Jane Eyre, and all of our great, great grandmothers. (And it just might leave you feeling ecstatically grateful to live in an age of pants, super-absorbency tampons, epidurals, anti-depressants, and not dying of the syphilis your husband brought home.)
