A brand-new epic fantasy adventure set in the beloved world of the Demon Cycle, following a new generation of heroes, from New York Times bestselling author Peter V. Brett “Heart-wrenching, smart, and modern . . . The Desert Prince has set a new standard for fantasy.”—Wesley Chu, #1 New York Times bestselling author of The War Arts Saga Fifteen years have passed since the end of the war with demons, creatures of darkness who have hunted the night and plagued humanity since time out of mind. The heroes of humanity's hour of need have become legend, and those who remain struggle to escape their shadows. Olive Paper and Darin Bales have grown up in this new peaceful world. Demons have been all but destroyed, but dangers still lurk for the children of heroes. Olive, princess of Hollow, has her entire life planned out by her mother, Duchess Leesha Paper: a steady march on a checklist to prepare her for succession. The more her mother writes the script, the more Olive rails against playing the parts she is assigned. Darin faces challenges of a different kind. Though free to choose his own path, the weight of legacy hangs heavy around his shoulders. It isn't easy being the son of the man people say saved the world. Everyone expects greatness from Darin, but the only thing he's ever been great at is hiding. But when Olive and Darin step across the wards one night, they learn the demons are not all gone, and those that remain hunger for revenge. Events are set in motion that only prophecy can foresee as Olive and Darin seek to find their own places in the world in time to save it again.

A stunning special edition of Peter V. Brett's thrilling debut THE PAINTED MAN, the modern fantasy classic that began The Demon Cycle, featuring over 30 illustrations by acclaimed fantasy artist Dominik Broniek.

One of the most exciting new sagas in epic fantasy, The Demon Cycle became a phenomenon with readers and launched the brilliant career of New York Times bestselling author Peter V. Brett. Now start from the beginning with all five novels in one convenient ebook bundle: THE WARDED MAN THE DESERT SPEAR THE DAYLIGHT WAR THE SKULL THRONE THE CORE As darkness falls after sunset, the corelings rise—demons who possess supernatural powers and burn with a consuming hatred of humanity. For hundreds of years the demons have terrorized the night, slowly culling the human herd that shelters behind magical wards—symbols of power whose origins are lost in myth and whose protection is terrifyingly fragile. It was not always this way. Once, men and women battled the corelings on equal terms, but those days are gone. Night by night the demons grow stronger, while human numbers dwindle under their relentless assault. Now, with hope for the future fading, three young survivors of vicious demon attacks will do the unthinkable, stepping beyond the crumbling safety of the wards to risk everything in a desperate quest to regain the secrets of the past. Arlen Bales will pay any price, embrace any sacrifice, for freedom, and his grim journey will take him beyond the bounds of human power. Crippled by the demons that killed his parents, Rojer Inn seeks solace in music, only to discover that his instrument can be a weapon as well as a refuge. Wanting to cure the sick and injured, Leesha Paper overcomes great hardship to become a guardian of old world science, learning that what heals can also harm. Together, they will stand against the night. “Inspired, compelling, [The Demon Cycle is] the most significant and cinematic fantasy epic since The Lord of the Rings.”—Paul W. S. Anderson, director of Alien vs. Predator

New York Times bestselling author Peter V. Brett returns to his groundbreaking Demon Cycle series with this enthralling novella—the latest story set in his much-loved fantasy world. Each night, the world is overrun by bloodthirsty demons. For centuries, humanity survived only by hiding behind defensive wards—magical symbols with the power to repel the demons. Now, the rediscovery of long-forgotten combat wards has given them the magic they need to fight back. In Tibbet's Brook, the fighting wards have brought change, but the factions and grudges of a troubled past remain. Selia Square, the woman they call Barren, has long been the force that holds the Brook together. As a terrifying new threat emerges, she rallies her people once again. But Selia has a past of her own. And in a small community the personal and the political can never be divided. If Tibbet's Brook is to survive, Selia must uncover memories she has buried deep—the woman she once was, the woman she once loved—and retell their story.

New York Times bestselling author Peter V. Brett brings one of the most imaginative fantasy sagas of the twenty-first century to an epic close. For time out of mind, bloodthirsty demons have stalked the night, culling the human race to scattered remnants dependent on half-forgotten magics to protect them. Then two heroes arose--men as close as brothers, yet divided by bitter betrayal. Arlen Bales became known as the Warded Man, tattooed head to toe with powerful magic symbols that enable him to fight demons in hand-to-hand combat--and emerge victorious. Jardir, armed with magically warded weapons, called himself the Deliverer, a figure prophesied to unite humanity and lead them to triumph in Sharak Ka--the final war against demonkind. But in their efforts to bring the war to the demons, Arlen and Jardir have set something in motion that may prove the end of everything they hold dear--a swarm. Now the war is at hand, and humanity cannot hope to win it unless Arlen and Jardir, with the help of Arlen's wife, Renna, can bend a captured demon prince to their will and force the devious creature to lead them to the Core, where the Mother of Demons breeds an inexhaustible army. Trusting their closest confidantes, Leesha, Inevera, Ragen, and Elissa, to rally the fractious people of the Free Cities and lead them against the swarm, Arlen, Renna, and Jardir set out on a desperate quest into the darkest depths of evil--from which none of them expects to return alive. Brett's complete Demon Cycle: THE WARDED MAN | THE DESERT SPEAR | THE DAYLIGHT WAR | THE SKULL THRONE | THE CORE Praise for The Core "Thoroughly addicting . . . a thrilling adventure that is, without question, [Brett's] greatest achievement yet."--Bookreporter "Rewarding . . . Congratulations to Peter Brett on completing a fantastic series."--SFFWorld

As reluctant savior Arlen Bales denies he is the Deliverer, the one prophesied to unite the remnants of humanity against the army of demons that rises each night, Ahmann Jardir initiates a bitter rivalry with Arlen when he claims the title for himself.

"Built from the skulls of fallen generals and demon princes, the Skull Throne of Krasia is a seat of honor and powerful magic that keeps the demon corelings at bay. Now it stands empty. From atop it, Ahmann Jardir was meant to conquer the known world, forging a unified army to end the demon war once and for all. Arlen Bales, the Warded Man, stood against this course, challenging Jardir to a duel to the death. Rather than risk defeat, Arlen cast Jardir and himself from a precipice, opening a struggle for succession that threatens to tear the Free Cities of Thesa apart"--Back cover.

A follow-up to the best-selling *The Warded Man* continues the adventures of reluctant savior Arlen Bales, who wonders at the identity of a spear-wielding figure that emerges from the desert and leads a vast army intent on a holy war. Reprint.

Seventeen-year-old Arlen Bales, an apprentice Messenger, undertakes a journey carrying a dangerous cargo to Count Bryan's gold mine while trying to elude One Arm, the giant rock demon who hunts him.
