Nigeria! Why? Chhobis world is turned upside down when her husband has to suddenly move to what she had heard as the crime, strife and disease-ridden dystopia of West Africa. What she finds when she gets there challenges her in more ways than she ever imagined. From coquettish, vivacious maids to kidnappers who werent bereft of all humaneness, she finds a land where the hardships of everyday life can scarcely hide an indomitably exuberant human spirit. In Dusky Dawn, Amrita paints a beautiful picture of modern urban Nigerian society through the eyes of an expat, describing her journey from one of ignorant despair to grateful and beholden to Nigerians. Her stories, albeit fictionalized, draw inspiration from the everyday realities of Nigerian lifethe ubiquitousness of the chaos and clutter in the fastest-growing large economy of the African continent and surviving and triumphing in the midst of it. It is a book about how joy, laughter, and happiness are so easily found in places where it would seem impossible to those uninformed of the Nigerian character. It speaks of a land where the beautiful dawn can, at any moment, turn dark by the terror of gunfire; but where also, in the darkest hour of night, hostages may find compassion in dreaded kidnappers.

An adventure beyond fantasy.... A nightmare twisting all imagination... Faint rays of sunlight creep over the horizon... Dawn is coming! A tale of epic conquest. A clash of souls and swords. Shining light and cringing darkness rage against one another on the plains of the universe. For decades, the planet Seras has been besieged by hordes of evil creatures. With their true identity shrouded by myths, legends and horror, they are known only as Demons. Yet in all of their wars, there is one man that makes even the coldest heart tremble: Ephraim Jordan. Known as the Holy Knight, he strikes fear and hatred into the minds of his enemies. Wielding a magical sword, he has fought against the Demons for seven long years to save the planet. But haunted by the memories of his shattered past, is the crusade one of justice or revenge? As Ephraim travels abroad, darkness clouds his path. A mysterious Demon elite is stalking his every move, a strange apparition whispers to him in battle, and his enemy is advancing...and evolving. Evil poisons the water, corrupts the earth and blackens the sky as the Holy Knight travels far, spilling much blood, only to discover that nothing is what it seems and he must choose to either rise above the maddening impulses that suspend him on the edge of insanity or fall to become the very thing he despises.

A new edition of this important work of Nietzsche's 'mature' philosophy.

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times
