This edition of Importing Into the United States contains material pursuant to the Trade Act of 2002 and the Customs Modernization Act, commonly referred to as the Mod Act. Importing Into the United States provides wide-ranging information about the importing process and import requirements. We have made every effort to include essential requirements, but it is not possible for a book this size to cover all import laws and regulations. Also, this publication does not supersede or modify any provision of those laws and regulations. Legislative and administrative changes are always under consideration and can occur at any time. Quota limitations on commodities are also subject to change. Therefore, reliance solely on the information in this book may not meet the "reasonable care" standard required of importers.

Save time and lives with 29 CFR 1926 OSHA Construction Industry Regulations from MANCOMM. Updated through July 2013, this book supplies you with the most current safety and health information essential to the construction industry. Formatted with our reader- friendly approach to regulations - RegLogicr - these complex government standards are easy to navigate, understand, and apply. Inside 29 CFR 1926 OSHA Construction Regulations you will find all the information necessary for full compliance. In addition to a complete collection of Part 1926 regulations for the construction industry, the book also contains Part 1903 on Inspections, Citations, and Penalties; Part 1904 concerning Recording and Reporting Occupational Illnesses and Injuries; and relevant selections from Part 1910 for General Industry. This edition of 29 CFR 1926 OSHA Construction Industry Regulations even includes the revised Hazard Communication Standard aligned with the United Nations' Globally Harmonized System of Classification and Labeling of Chemicals (GHS).
