The Save The Cat! approach is to basically turn your script into a giant sales pitch. A living, breathing advertising device that looks so irresistible that audiences can't help but see it, and producers can't help but buy it, whether it's any good or not. Sounds like a pretty good idea, right? Except that it's not going to work for you.

Basically, this is an expression that comes from the fireman going up a tree to save cats in old-time TV and comics. Those heroes always did something to ingratiate themselves with the audience. Like saving a cat from a tree. It's how the people watching knew they were the good guys and to root for them.

What is the Save the Cat Beat Sheet and Why is it Popular?

Recently I started reading Jessica Brody's Save the Cat! Writes A Novel : The Last Book on Novel Writing You'll Ever Need , given a few writer friends of mine have recommended it. Even though there is only one way to write a novel - actually writing it - there are multiple strategies for plotting your novel.

What it is about Save the Cat that resonates with you as a writer? I think what made Save the Cat! (STC!) resonate with me as a writer is that it's a very "easy" way to get started with writing. I'm not saying writing is easy, but Blake's method gives me (and I know other writers feel the same way as well) a great place to start off.
