project management, work item
tracking, version control, test case
management, build automation,

Online Library Sharepoint Services 30 Installation

reporting, and how to write extensions for TFS 2012 Professional Team Foundation Server 2012 builds on the proven Wrox Professional formula to give you a solid background in this software management tool.

Online Library Sharepoint Services 30 Installation Guide

There's nothing like teamwork for making progress on a project, but sharing information and building on each other's successes can be challenging when your team is scattered across the miles. Microsoft's SharePoint helps teams and

Online Library Sharepoint Services 30 Installation

Organizations close the distance. With SharePoint, groups construct web sites specifically for collaboration--sites where individuals can capture and share ideas, and work together on documents, tasks, contacts, and events. It's the next best thing to being in the room

Online Library Sharepoint Services 30 Installation

together. Unfortunately, much of the documentation for SharePoint is written to help system administrators get it up and running, which often leaves end users in the dark. The SharePoint User's Guide takes another approach: this quick and easy guide shows you what you need to

Online Library Sharepoint Services 30 Installation

Guide to start using SharePoint effectively and how to get the most from it. You'll learn how to create sites that your organization can use to work together or independently, from an end user's point of view. Now, even beginners can learn how to: access sites that are already set up create

Online Library Sharepoint Services 30 Installation

new sites personalize sites use the document and picture libraries for adding and editing content add discussion boards and surveys to a site enhance security You'll learn how you can receive alerts to tell you when existing documents and information have been changed, or when new

Online Library Sharepoint Services 30 Installation

Information or documents have been added. You can even share select information with partners or customers outside your organization. No one that uses SharePoint collaboration services can afford to be without this handy book. The SharePoint User's Guide is designed to help you find answers

Online Library Sharepoint Services 30 Installation

Quickly, explaining key concepts and major points in straightforward language. With SharePoint, any team or organization can overcome geographic or time-zone challenges, and the SharePoint User's Guide will show them how.

Online Library Sharepoint Services 30 Installation

Guide This book is for students preparing to become certified for the 70-630, Microsoft Office SharePoint Server 2007 Configuration exam. The Microsoft Official Academic Course (MOAC) lessons correlate and are mapped to the Microsoft Certified Technology Specialist (MCTS) 70-630

Online Library Sharepoint Services 30 Installation

certification exam. This text covers facilitating collaboration, understanding content management features, implementation of business processes, and supplying access to information essential to organizational goals and processes. Students master skills to utilize SharePoint sites that
