Approach
Systematically
Snagging A New
Build A

A snagging list is highly recommended when you purchase a new-build property. You have the right to have any snags fixed by your builder for no extra cost, so there is no reason not to undertake one. If you

Download File

PDF Snagging

spot any further snags after your initial snagging list, you can always send another.

Snagging lists for new build properties - Propertymark

What is a snag? A snag is a defect in your new build. This often refers to functional issues, where something in

A Snagging List is a new build's

supplement to a

property survey. It is a

list of all the issues or

'snags' with a new

build property, usually

defects like damage

to paintwork or small

unfinished jobs

throughout the

property. In some
