A heartwarming and hilarious look at motherhood from someone who is still trying to figure it all out. Filled with personal stories—from the decision to become a mother to the heartbreak of miscarriage and ultimately, to the joy of raising a baby and living to tell about it

This collection bundles all 3 of popular author Melanie Shankle's previous books together in one e-book, for a great value! Sparkly Green Earrings "There is really no better indicator you're a mother than acquiring the ability to catch throw-up in a plastic bag, disinfect your hands, and immediately ask your friend to pass the beef jerky as you put on another Taylor Swift song and act as if nothing has happened." This is the type of insight Melanie Shankle offers in this quirky memoir of motherhood. Written in the familiar, stream-of-consciousness style of her blog, Big Mama, Sparkly Green Earrings is a heartwarming and hilarious look at motherhood from someone who is still trying to figure it all out. Filled with personal stories—from the decision to become a mother to the heartbreak of miscarriage and ultimately, to the joy of raising a baby and living to tell about it—Sparkly Green Earrings will make you feel like you're sitting across the table from your best friend. A must-read for anyone who's ever had a child or even thought about it. The Antelope in the Living Room Welcome to the story of a real marriage. Marriage is simultaneously the biggest blessing and the greatest challenge two people can ever take on. It is the joy of knowing there is someone to share in your joys and sorrows, and the challenge of living with someone who thinks it's a good idea to hang a giant antelope head on your living room wall. In The Antelope in the Living Room, New York Times best-selling author and blogger Melanie Shankle does for marriage what Sparkly Green Earrings did for motherhood—makes us laugh out loud and smile through tears as she shares the holy and the hilarity of that magical and mysterious union called marriage. Nobody's Cuter than You There is nothing as precious in life as a friend who knows you and loves you in spite of yourself. Yet over the last couple of decades, we've substituted the joy of real friendship with cheap imitations. We settle for "community" on Facebook and Twitter and a series of text messages that allow us to communicate with someone without the commitment. We like each other's beautifully filtered photos on Instagram and delude ourselves into believing we have a community. But real friendship requires effort. It's showing up, laughing loud, and crying hard. It's forgiving and loving and giving the benefit of the doubt. It's making a casserole, doing a carpool pickup, and making sure she knows those cute shoes are 50 percent off. Written in the same comedic style as the New York Times bestsellers Sparkly Green Earrings and The Antelope in the Living Room, Nobody's Cuter than You is a laugh-out-loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God had the good sense to bring into our lives at exactly the right moments. From the friendships we develop over a lifetime to the ones that wounded us and the ones that taught us to love better, Melanie Shankle reveals the influence our friends have on who we were, who we are, and who we will become. And on a day when our jeans feel too tight, our chins have decided to embrace hormone-related acne reminiscent of our teen years, and our kids have tested the limits of our sanity, they are the ones who will look at us and say, "Nobody's cuter than you!"

The author shares stories about her relationship with her husband that underscore the joys and challenges that come with marriage.

Is my ordinary, everyday life actually significant? Is it okay to be fulfilled by the simple acts of raising kids, working in an office, and cooking chicken for dinner? It's been said, "Life is not measured by the number of breaths we take, but by the number of moments that take our breath away." The pressure of that can be staggering as we spend our days looking for that big thing that promises to take our breath away. Meanwhile, we lose sight of the small significance of fully living with every breath we take. Melanie Shankle, New York Times bestselling author and writer at The Big Mama Blog tackles these questions head on. The million little pieces that make a life aren't necessarily glamorous or far-reaching. But God uses some of the smallest, most ordinary acts of faithfulness--and sometimes they look a whole lot like packing lunch.

On June 19, 2001, Ryan Corbin, grandson of Pat Boone, accidentally stepped through a skylight and fell three stories onto a cement floor. When he broke through that roof, Ryan fell into a very different life from the one he had before as the beloved son of Lindy Boone Michaelis and first grandson of entertainment icon Pat Boone. As Ryan lingered between life and death in intensive care at UCLA Medical Center, Pat and Lindy decided to take action, in a big way; they went on *Larry King Live*, shared their faith, and asked millions of TV viewers to pray for Ryan. And so, they prayed. *Heaven Hears* is an unbelievable story of answered prayer—and it's not over yet. This book will inspire you to look for answers to prayer and to see God's miracles.
