About the Author Elizabeth Scott grew up in a town so small it didn't even have a post office, though it did boast an impressive cattle population. She's sold hardware and panty hose and had a memorable three-day stint in the dot-com industry, where she learned that she really didn't want a career burning CDs.

Stealing Heaven Quotes by Elizabeth Scott

Stealing Heaven is one of Elizabeth Scott's earlier novels, having been published in 2008. It's an unusual story about a mother-daughter burglar team told in the voice of the daughter, eighteen year old Danielle. All Dani can ever remember is a life of stealing.

LibrisNotes: Stealing Heaven by Elizabeth Scott

Stealing Heaven by Elizabeth Scott Copyright 2008 Harper Teen - YA 307 pages Danielle is 18 years old and she's a thief. Her mother has trained her to live under false identities, scope out the homes of the wealthy and then help steal their silver.

"Stealing Heaven" is a captivating coming-of-age novel that everyone who reads it will love. Elizabeth Scott's writing is natural and funny, I seriously want to get my hands on "Perfect You," and any of her other books. She really lets you get into the mind of her main character.

Stealing Heaven book by Elizabeth Scott

Elizabeth Scott ' s Stealing Heaven is a lukewarm novel about a young woman ' s struggle to let go of the complicated, dangerous life her thoughtless mother has created for her. From the beginning, I pretty much wanted to punch Dani ' s mom — often called “ Miranda, ” if she uses any name at all — in the face.

My name is Danielle. I'm eighteen. I've been stealing things for as long as I can remember. Dani has been trained as a thief by the best—her mother. Together, they move from town to town, targeting wealthy homes and making a living by stealing antique silver. They never stay in one place long enough to make real connections, real friends—a real life. In the beach town of Heaven, though, everything changes. For the first time, Dani starts to feel at home. She's making friends and has even met a guy. But these people can never know the real Dani—because of who she is. When it turns out that her new friend lives in the house they've targeted for their next job and the cute guy is a cop, Dani must question where her loyalties lie: with the life she's always known—or the one she's always wanted.

When her older, "perfect" sister Tess has a car accident that puts her in a coma, seventeen-year-old Abby, who has always felt unseen in Tess's shadow, plans to bring her back with the help of Eli, a gorgeous boy she has met at the hospital, but her plans go awry when she learns some secrets about both Tess and Eli, enabling her to make some decisions about her own life.

Sarah and Brianna have always been friends, and it's always gone like this: guys talk to Sarah in order to get closer to Brianna. So even though Sarah met Ryan first, she's not surprised that he ends up with Brianna (even though Sarah has a massive crush on him). The three of them hang out, and Sarah and Ryan's friendship grows until one night an innocent exchange between them leads to a moment that makes Sarah realize that Ryan might be interested in her after all. But if there's one unwritten rule, it's this: you don't mess around with a friend's boyfriend. So Sarah tries to resist temptation. But with the three of them thrown together more and more, tension builds between Sarah and Ryan, and when they find themselves alone together at one point, they realize they just can't fight how they feel anymore....

Get this, I'm supposed to be starting a journal about "my journey." Please. I can see it now: Dear Diary, As I'm set adrift on this crazy sea called "life" . . . I don't think so. It's been seventy-five days. Amy's sick of her parents suddenly taking an interest in her. And she's really sick of people asking her about Julia. Julia's gone now, and she doesn't want to talk about it. They wouldn't get it, anyway. They wouldn't understand what it feels like to have your best friend ripped away from you. They wouldn't understand what it feels like to know it's your fault. Amy's shrink thinks it would help to start a diary. Instead, Amy starts writing letters to Julia. But as she writes letter after letter, she begins to realize that the past wasn't as perfect as she thought it

was—and the present deserves a chance too.

Von Kindesbeinen an ist Dani mit ihrer Mutter auf Diebestour quer durch die USA. Sie erleichtern die Besitzer stolzer Villen um Tafelsilber und Brillantschmuck. Danach verschwinden sie in den nächsten Reichenvorort. Dani kennt nur dieses Nomadenleben. Ihre Mom ist ihr Fixstern, ihr Lebensmittelpunkt. Doch das ändert sich, als sie in den Badeort Heaven kommen und der smarte Greg auftaucht – ausgerechnet ein Polizist...

Kate Brown's life has gone downhill fast. Her father has quit his job to sell vitamins at the mall, and Kate is forced to work with him. Her best friend has become popular, and now she acts like Kate's invisible. And then there's Will. Gorgeous, unattainable Will, whom Kate acts like she can't stand even though she can't stop thinking about him. When Will starts acting interested, Kate hates herself for wanting him when she's sure she's just his latest conquest. Kate figures that the only way things will ever stop hurting so much is if she keeps to herself and stops caring about anyone or anything. What she doesn't realize is that while life may not always be perfect, good things can happen -- but only if she lets them....

I wonder what it would be like to do high school things. To go out on the weekends. To kiss a guy. To have a normal life. A real one. Everyone thinks their parents are embarrassing, but Hannah knows she's got them all beat. Her dad made a fortune showcasing photos of pretty girls and his party lifestyle all over the Internet, and her mom was once one of her dad's girlfriends and is now the star of her own website. After getting the wrong kind of attention for way too long, Hannah has mastered the art of staying under the radar...and that's just how she likes it. Of course, that doesn't help her get noticed by her crush. Hannah's sure that gorgeous, sensitive Josh is her soul mate. But trying to get him to notice her; wondering why she suddenly can't stop thinking about another guy, Finn; and dealing with her parents make Hannah feel like she's going crazy. Yet she's determined to make things work out the way she wants -- only what she wants may not be what she needs.... Once again, Elizabeth Scott has created a world so painfully funny and a cast of characters so heartbreakingly real that you'll love being a part of it from unexpected start to triumphant finish.

Being America's favorite heiress is a dirty job...but someone's gotta do it. Lexington Larrabee has never had to work a day in her life. After all, she's the heiress to the multi-billion-dollar Larrabee Media empire. And heiresses are not supposed to work. But then again, they're not supposed to crash brand-new Mercedes convertibles into convenience stores on Sunset Boulevard either. Which is why, on Lexi's eighteenth birthday, her ever-absent, tycoon father decides to take a more proactive approach to her wayward life. Every week for the next year, she will have to take on a different low-wage job if she ever wants to receive her beloved trust fund. But if there's anything worse than working as a maid, a dishwasher, and a fast-food restaurant employee, it's dealing with Luke, the arrogant, albeit moderately attractive, college intern her father has assigned to keep tabs on her. In Jessica Brody's hilarious "comedy of heiress" about family, forgiveness, good intentions, and best of all, second chances, Lexi learns that love can be unconditional, money can be immaterial, and regardless of age, everyone needs a little saving. And although she might have fifty-two reasons to hate her father, she only needs one reason to love him.

There's a difference between falling and letting go. Lauren has a good life: decent grades, great friends, and a boyfriend every girl lusts after. So why is she so unhappy? It takes the arrival of Evan Kirkland for Lauren to figure out the answer: She's been holding back. She's been denying herself a bunch of things (like sex) because staying with her loyal and gorgeous boyfriend, Dave, is the "right" thing to do. After all, who would give up the perfect boyfriend? But as Dave starts talking more and more about their life together, planning a future Lauren simply can't see herself in -- and as Lauren's craving for Evan, and moreover, who she is with Evan becomes all the more fierce -- Lauren realizes she needs to make a choice...before one is made for her.

After being abducted when she was ten and abused for five years by her kidnapper, Ray, Alice's only hope of
