These are extremely difficult and confusing times - people are cross and shouty. It's exhausting! She wants them to know that it's ok to love people and that kindness is something wonderful and brilliant. Above all, she wants them to bring on the joy. So the mission is simple. To get the nation to join her in not being negative. To bring back joy, kindness and community, to find that joy in the little things in life and defeat the hate and fear. Susan is a one-woman army of hope and joy, and she's ready to lead the nation in a different direction.
