The Beast: Riding the Rails and Dodging Narcos on the Migrant Trail. One day a few years ago, 300 migrants were kidnapped between the remote desert towns of Altar, Mexico, and Sasabe, Arizona. A local priest got 120 released, many with broken ankles and other marks of abuse, but the rest vanished. Óscar Martínez, a young writer from El Salvador, was in Altar soon after the abduction, and his account of the migrant disappearances is only one of the harrowing stories he garnered from two ...

El tren de la muerte (“The Death Train”) refers to a network of Mexican freight trains that are utilized by U.S.-bound migrants to more quickly traverse the length of Mexico, also known as La Bestia (“The Beast”) and El tren de los desconocidos (“The train of the unknowns”). It is estimated that each year, between 400,000 and 500,000 migrants, the majority of whom are from El Salvador, Guatemala, and Honduras, ride atop these trains in the effort to reach the United States.

El tren de la muerte - Wikipedia

The Beast: Riding the Rails and Dodging Narcos on the Migrant Trail, Martínez’s first book, is a harrowing account of the 3,200-kilometre journey across Mexico that hundreds of thousands of Central American migrants make each year en route to the United States. It’s a shining model of what journalism as a practice of solidarity can look like, and a must-read for anyone who believes journalism can be a tool for transforming society.
