The Carolina Curriculum is an assessment and intervention  
program designed for use with young children from birth to  
five who have mild to severe disabilities. Professionals in  
home-, school-, or center-based environments will improve  
children ' s outcomes by systematically using this easy-to-  
use, criterion-referenced system that clearly links  
assessment with intervention and lets them work closely  
with the child ' s teachers, family members, and other  
service providers.
