NEW YORK TIMES and USA TODAY Best-Selling Book From the author that brought you 6 New York Times best-selling books including The Harbinger, The Book of Mysteries, and The Oracle Is America heading to judgment? What lies ahead? Discover what no book has ever revealed . . . until now! Are the unprecedented crises of our times, the signs and warnings of coming judgment? Does an ancient mystery hold the secret to the events of our times, and the future of America and the world? Is this mystery even behind the shakings that have now overtaken the world and America? How much time do we have left? In 2012, Jonathan Cahn caused a worldwide sensation with the release of his first book and massive bestseller The Harbinger. It was hailed as 'stunning,' 'prophetic' 'mind-blowing,' and 'astounding.' Cahn followed it with bestseller after bestseller but he has always held off on writing a sequel. But now, for the first time, Cahn opens up what could not be unlocked before - the mysteries that couldn't be revealed until the present time, the manifestations that have taken place since The Harbinger came out and up to the present hour, and the mysteries of what is yet to come. Ever since The Harbinger was released, people have been asking... Is an ancient mystery determining America's future? Have the harbingers of judgment continued to manifest on American soil? Is America closer now than ever before to judgment and what lies ahead for America and the world? The Harbinger ended by speaking of what was yet to come. That which was written is now coming true. After years of holding back, because he believed it wasn't yet the time, Jonathan Cahn has now written the sequel. The Harbinger II is being hailed as "a prophetic masterpiece" even more powerful and stunning than the first book and will take the mystery to new dimensions and disclose what could not be revealed in The Harbinger or until now. As in the prophet's first appearance, the revelations will be unlocked, one by one, through the giving of ancient seals, but also through dreams, and a little girl as mysterious as the prophet. In The Harbinger II the reader will be taken on a mysterious and epic journey to uncover the new revelations: from an island in the waters of New England, to the steps of the Supreme Court, to the top of the tower at Ground Zero, to a primeval forest, to the House of Faces, to the pedestal of the Statue of Liberty. The Harbinger II will also reveal the answer and the keys we each need to have for the days that lie ahead. After reading The Harbinger II, you will never see the world the same way again. New York Times and USA Today Best Seller! Discover the amazing secret of the ages...and the mystery of your life! The Oracle will reveal the mystery behind everything...the past, the present, current events, even what is yet to come! Open the seven doors of revelation--and prepare to be blown away! Jonathan Cahn, author of the New York Times best sellers The Harbinger, The Mystery of the Shemitah, The Book of Mysteries, and The Paradigm, now unveils The Oracle, in which he opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires (even America), to the current events of our day, to the future, to end-time prophecy, and much more. Could an ancient prophecy and a mysterious ordinance given in a Middle Eastern desert over three thousand years ago be determining the events of our day? Could some of the most famous people of modern history and current events be secretly linked to this mystery--even a modern president of the United States? Could this ancient revelation pinpoint the events of our times down to the year, month, and day of their occurring? Could a mysterious phenomenon be manifesting on the world stage on an exact timetable determined from ancient times? Could these manifestations have altered--and now be altering--the course of world events? Jonathan Cahn takes the reader on a journey to find the man called the Oracle. One by one each of the Jubilean mysteries will be revealed through the giving of a vision. The Oracle will uncover the mysteries of The Stranger, The Lost City, The Man With the Measuring Line, The Land of Seven Wells, The Birds, The Number of the End, The Man in the Black Robe, The Prophet's Song, The Matrix of Years, The Day of the Lions, The Awakening of the Dragon, and much more. The reader will discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day. The revelation is so big that it will involve and open up the mysteries of everything and everyone from Mark Twain to Moses, from King Nebuchadnezzar to Donald Trump, from the fall of empires to the rise of America, from a mystery hidden in a desert cave to another in an ancient scroll, from the palace of the Persian Empire to the US Senate, from the Summer of Love to the Code of Babylon, and much, much more. Ultimately the Oracle will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age. As with The Harbinger and The Book of Mysteries, Cahn reveals the mysteries through a narrative. A traveler is given seven keys; each will open up one of seven doors. Behind each door lies a stream of mysteries. The reader will be taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors--the ancient secrets that lie behind the world-changing events of modern times--and revelations of what is yet to come. Hailed as a mind-blowing masterpiece, The Oracle will reveal mysteries that are absolutely real, amazing, stunning, mind-blowing, and life-changing. Prepare to be blown away.
