Master the Production of Virtual Events and Improve Engagement Have you ever found yourself confidently delivering content for a virtual training session, webinar, or online meeting only to have a participant drop off? Or, have you bravely launched breakout sessions but found that participants got lost on where to go? These scenarios illustrate the convergence of virtual session facilitation and production. While attention is most often paid to the facilitation of virtual

sessions, significantly less is devoted to producing them. Producing Virtual Training, Meetings, and Webinars rectifies this gap. In this book, Kassy LaBorie, go-to training expert and co-author of *Interact and Engage! 50 Activities for Virtual Training, Meeting, and Webinars*, guides you through the production knowledge and skills a trainer needs to master the production of virtual events while delivering engaging training, productive meetings, and captivating webinars—from how to prepare the technology and content beforehand to how to run everything smoothly. Using

examples from and discussing differences among common virtual conferencing platforms such as Adobe Connect, Blackboard, Zoom, Webex, GoTo suite, and Microsoft Teams, LaBorie offers a plan of action for conquering just about any platform and troubleshooting potential problems. This book thoroughly examines typical platform features (audio, webcam, chat, screen share), advanced interaction methods (polling, breakouts, Q&A), and administration and logistics elements (logins, session scheduling, reports). With production in mind, you'll also learn how to:
