Understanding Business by Nickels, McHugh, and McHugh has been the number one textbook in the introduction to business market for several editions for three reasons: (1) The commitment and dedication of an author team that teaches this course and believes in the importance and power of this learning experience, (2) we listen to our customers, and (3) the quality of our supplements package. We consistently look to the experts – full-time faculty members, adjunct instructors, and of course students – to drive the decisions we make about the text itself and the ancillary package. Through focus groups, symposia, as well as extensive reviewing of both text and key ancillaries, we have heard the stories of more than 600 professors and their insights and experiences are evident on every page of the revision and in every supplement. As teachers of the course and users of their own materials, the author team is dedicated to the principles of excellence in business education. From providing the richest most current topical coverage to using dynamic pedagogy that puts students in touch with today's real business issues, to creating groundbreaking and market-defining ancillary items for professors and students alike, Understanding Business leads the way.

The experienced author team, alongside the long-tenured McGraw Hill product team have created a market-leading product that meets the needs of nearly all classrooms, no matter the size, teaching modality or learning objectives. The content is unmatched in depth, breadth, currency, and relevancy, and is presented in an extremely readable format for students with all learning styles. A wealth of technology solutions engages students, enriches learning, furthers understanding, and simplifies instructors' assessment processes. Course supplements tightly align with chapter concepts and to enhance retention, making instructors of all experience levels Grade-A rockstars. Unparalleled support from our Digital Faculty Consultants, Student Ambassadors, Implementation, Sales and Product Teams, all help to ensure both instructors and students benefit from the full experience of what is now the Gold Standard in Introduction to Business classes.
