Words are power. Until you have a word for something, you can't think effectively about it. That's why every discipline has its own specialized vocabulary and why people who study the discipline must learn the vocabulary in order to be conversant. So, vocabulary-building is as crucial in high school, college, and career as it was when students were first learning to read and write.

For instance, while high school vocabulary might not seem like the most interesting subject for students, learning new words and their meanings is essential to any student's education. But how does a teacher go about engaging students in learning high school vocabulary – a subject that students may not be the most passionate about?

5 Ways to Make Teaching High School Vocabulary Fun and ...

Somewhere in between all of that fun stuff is vocabulary, and high school vocabulary isn't exactly exciting. If you want to pass the SAT test, you need to know what words like dubious and pitiable mean. Everyday high school will test you on the meaning of words like freewheeling and egregious. It can't be described as a ton of fun.
