The What's Happening to My Body book contained "more anatomically correct drawings." It also has a section about being uncircumcized and how to take care of your foreskin. The Boy's Body Book is "fine," but "it doesn't really talk about sex and genital changes." It doesn't go into as much detail as the other two books.~~

10 Crazy Things Happening In Your Body Right Now

What's Happening With Your Body: Healing Mode During stage three, your body starts to enter into a "healing mode." This healing process begins as your digestive system takes a rest from the common stressors and toxins it endures on a daily basis. As a result, your body has fewer free radicals entering the mix, and oxidative stress decreases.
