### When the Past Is Present - Shambhala Publications

In the book, 'When The past is Present', David Richo goes into how our past can still influence what is taking place in our present This was a book I read in 2012, so I can't remember any specific details about it. However, I had an experience recently that clearly demonstrated how what took place in the past can impact the present.

### X: Past Is Present - Wikipedia

The use of zikharon ensures that the events of the past remain in the present. Thus, while the modern historian first determines the facts of an event and then seeks to interpret it, in the traditionally Jewish way of thinking, meaning is predetermined, coming before the event itself and dictating which events we remember and retell.
