Wicked River: the Mississippi When it Last Ran Wild beautifully recreates a lost time and place, that of the Mississippi River from the beginning of the 19th century until past that century's midpoint and just after the Civil War. Early on Mr. Sandlin observes that his early conception of the Mississippi river ¶ shaped largely on the template of Mark Twain's nostalgia ¶ so diverged from its current reality that he found it difficult to recognize.

Wicked River: The Mississippi When It Last Ran Wild by Lee ...

The more Twain wrote about the river, in fact, the more it took on a kind of mythic grandeur: it became ¶the great Mississippi, the majestic, the magnificent Mississippi, rolling its mile-wide tide along, shining in the sun¶¶a world where every problem fell away down the next turning of the river bend, the perfectly serene, sun-flecked image of the American Eden.

Introduction - Wicked River: The Mississippi When It Last ...

Get Free Wicked River The Mississippi When It Last Ran Wild Lee Sandlin

A riveting narrative look at one of the most colorful, dangerous, and peculiar places in America's historical landscape: the strange, wonderful, and mysterious Mississippi River of the 19th century. Beginning in the early 1800s and climaxing with the siege of Vicksburg, Wicked River takes us back to a time before the Mississippi was dredged into a shipping channel, and before Mark Twain romanticized it into myth.

Lee Sandlin - Wicked River

Beginning in the early 1800s and climaxing with the siege of Vicksburg in 1863, Wicked River brings to life a place where river pirates brushed elbows with future presidents and religious visionaries shared passage with thieves. Here is a minute-by-minute account of Natchez being flattened by a tornado; the St. Louis harbor being crushed by a massive ice floe; hidden, nefarious celebrations of Mardi Gras; and the sinking of the Sultana, the worst naval disaster in American history.

Amazon.com: Wicked River: The Mississippi When It Last Ran ...

Wicked River: The Mississippi When It Last Ran Wild (Audio CD) by Lee Sandlin, read by Jeff McCarthy (2010, 368 pages in paper format, listened Jan 17-29) A history of the Mississippi river that begins as a natural description, evolves into a history of early European settlement and use, then devolves into an overwrought, under-focused history of this and that with way way too much detail.

Wicked River: The Mississippi When It Last Ran Wild by Lee ...

WHEN THE EARLIEST EUROPEAN EXPLORERS came down the Mississippi in the seventeenth century, they had been startled to find, everywhere they went, evidence that somebody else had been there before them. The evidence was cryptic but irrefutable: it took the form of gigantic earthen mounds, some of them more than a hundred feet tall, piled up in the open land along the riverbanks.

From award-winning journalist Lee Sandlin comes a riveting look at one of the most colorful, dangerous, and peculiar places in America's historical landscape: the strange, wonderful, and mysterious Mississippi River of the nineteenth century. Beginning in the early 1800s and climaxing with the siege of Vicksburg in 1863, Wicked River takes us back to a time before the Mississippi was dredged into a shipping channel, and before Mark Twain romanticized it into myth.

Wicked River: The Mississippi When It Last Ran Wild ...

I finished Wicked River: The Mississippi When It Last Ran Wild by Lee Sandlin a couple days. It was an excellent book if you are interested in the Mississippi River or the history of that area of the US. I am interested in both, so I really enjoyed the book.

Wicked River - Random Thoughts

A semi-chronological narrative of life along the Mississippi River, primarily before the Civil War, when the river valley was still part of the frontier. It was a dangerous place, both from nature (storms, earthquakes, the river itself) and from other humans (lots of drunkenness and piracy).

A vivid history of the Mississippi River culture of the early 19th century, including the people living there, the river itself as a deadly and ever-changing force, and the way it was presented to outsiders through the early VR-like technology of "panoramas" and the work of Mark Twain.

Wicked River The Mississippi: Lee Sandlin, Jeff McCarthy ...

Here, too, is the Mississippi itself: gorgeous, perilous, and unpredictable, lifeblood to the communities that rose and fell along its banks. An exuberant work of Americana—at once history, culture, and geography—Wicked River is a grand epic that portrays a forgotten society on the edge of revolutionary change.
